You must include the IA 130 and/or IA 148 Tax Credits Schedule with an explanation if a credit amount is changed from the original filing.
Line 19 - School District/EMS Surtaxes: Enter the correct school district/EMS surtax based on where you resided on 12/31 for the tax year you are amending.
Line 20 - Contributions from Original Return: Enter the amount of contributions claimed on the original return in column A of the IA 1040X. These cannot be changed from the original filing.

Line 23 - Total Credits: Enter the total of lowa tax withheld, estimated/voucher payments, lowa Fuel Tax Credit, Child and Dependent Care Credit or Early Childhood Development Credit, Earned Income Tax Credit, other refundable tax credits from IA 148 Tax Credits Schedule, and Composite Credits from IA Schedule CC. Include supporting documentation or schedule(s) if a credit is changing from the original filing.
Line 24 - Tax Amount Previously Paid: Show the amount of tax paid with the filing of the original return plus any additional tax paid for this tax period after the filing of the return. Do not include any penalty, interest, or penalty for underpayment of estimated tax you may have paid.
Line 26 - Overpayment: Enter the amount of overpayment from your previous filing(s). Do not include any interest you may have received on your refund.
Line 28 - Refund: Enter the amount of the overpayment you want refunded to you. Do not include the portion of the overpayment you want credited to next year's estimated payments. If you are amending a return in the same calendar year in which the return became due and wish to credit all or a portion of the overpayment to next year's estimates, complete the credit carryforward section on page 2 of the IA 1040X form.
Line 30a - Penalty: If your original return for the year being amended was not timely filed and you failed to pay at least $90 \%$ of the current tax on or before the original due date, a late filing penalty of $5 \%$ is due. If this amendment is filed prior to any contact by the Department and the tax shown to be due on this amended return is paid, then an underpayment penalty will not be assessed.
If you amend a return after being contacted by the Department and have failed to pay at least $90 \%$ of the current tax on or before the original due date of the year being amended, then a $5 \%$ underpayment penalty is due. You will be subject to both penalties ( $10 \%$ total) if your original return was not timely filed, the $90 \%$ test is not met, and you amend after being contacted by the Department.
Line 30b - Interest: Interest is always due on the amount of tax you owe on line 29. Interest is added to the unpaid tax at a rate prescribed by law from the due date of the return until payment is received. Interest cannot be waived under any circumstances. Refer to the Interest Rate Table on IA 1040X instructions, page 2 to calculate interest due on unpaid tax.
