Before using paper, consider

@File

Fast — Filing electronically, rather than on paper, can mean much faster processing of your refund and money in your account sooner.

Accurate — Generally, there are fewer errors with electronic filings than paper forms. Online programs make it easy to ensure that you don't miss anything important.

Ecofriendly — A great majority of Massachusetts taxpayers file electronically. Help us to continue reducing our carbon footprint.

Affordable — About 70% of Massachusetts taxpayers qualify to use commercial tax preparation software at no charge. Check out the free filing option through MassTaxConnect.

Give e-file a try this year!

C'mon, admit it — filing paper tax returns is no fun! So forget about longer refund wait times and calculation mistakes. E-file this year!

There are three easy and convenient ways to do it.

1

File Electronically for Free

Approximately 70% of Massachusetts taxpayers likely qualify to file both federal and state returns for free, enhancing fraud protection and cutting down on identity theft. Massachusetts joined the Free File Alliance, a nonprofit partnership between tax preparation companies, the IRS and the states to increase opportunities for taxpayers to e-file their tax returns for free. Check out the free filing options available to taxpayers at mass.gov/efile.

You may also be able to file your tax return online through DOR's MassTaxConnect. You qualify for this option if you were a Massachusetts resident for the entire 2022 tax year, previously filed a Massachusetts return, and the forms you file are supported by the program.

2

Commercial Tax Preparation Software

You can also e-file using commercial tax filing products. Visit our website for a complete listing of approved products. Although some of these products offer a paper filing option, you may only use that option if it incorporates a 2D barcode in the right-hand corner of all pages. If you have a 2D printing issue, be sure to contact the software manufacturer for instructions before filing to avoid having your return rejected. Also, be sure to use the correct 2D barcode mailing address: PO Box 7000 for refunds/no payments or PO Box 7003 for payments. See DOR's online tax form instructions for more information.

3

Tax Preparers

The majority of paid tax preparers recognize that their clients don't want mistakes, delays, or longer refund times so they offer e-filing for their customers. Moreover, Massachusetts law requires any preparer who completes more than 10 Massachusetts income tax returns to e-file (TIR 11-13 has a specific taxpayer opt-out provision to this law). Preparers who do file paper returns for their clients have specific requirements they must meet to avoid paying penalties and fines. You'll find a list of preparers on the DOR website.

You may qualify for assistance with preparing your tax returns. Check out options at mass.gov/taxassistance.

Filing Due Dates

Form 1 is due on or before April 18, 2023. April 15, 2023, when returns and payments would normally be due, is a Saturday, which extends the filing due date to the next business day. However, in Massachusetts, Monday, April 17, 2023, is Patriots' Day, a legal holiday in the Commonwealth. As a result, returns, payments made with returns, and estimated payments otherwise due on April 15, 2023, will be treated as timely if they are filed and/or paid on or before April 18, 2023.

2022 Personal Income Tax Rates

Effective for tax years beginning on or after January 1, 2020, the tax rate on most classes of taxable income is 5%. The tax rate on short-term gains from the sale or exchange of capital assets and on long-term gains from the sale or exchange of collectibles (after a 50% deduction) is 12%.

Expansion of Certain Electronic Filing and Payment Requirements

Technical Information Release (TIR) 21-9 announced the expansion of electronic filing and payment requirements for certain tax types. New requirements for partnerships and fiduciaries are effective for tax periods ending on or after December 31, 2021, and for payments made on or after January 1, 2022. TIR 21-9 also announced an expansion of the Department's two-dimensional ("2D") bar code requirements for paper forms produced by tax preparation software programs effective for tax periods ending on or after December 31, 2021.

Penalty for Failure to Obtain Health Insurance

Massachusetts requires most adults 18 and over with access to affordable health insurance to obtain it. In 2022, individuals must be enrolled in health insurance policies that meet minimum creditable coverage standards defined in regulations adopted by the Commonwealth Health Insurance Connector Authority (Health Connector). Individuals who are deemed able to afford health insurance but fail to obtain it are generally subject to penalties in Massachusetts for each month of noncompliance in the tax year. The monthly penalties, which will be imposed through the individual's personal income tax return, are set out in TIR 22-3 and are based on half of the minimum monthly insurance premium for which an individual would have qualified through the Health Connector.

Annual Update of Circuit Breaker Tax Credit

Taxpayers age 65 or older who own or rent residential property located in Massachusetts are allowed a credit equal to the amount by which their real estate tax payments, or 25% of their rent in the case of a renter, exceeds 10% of the taxpayer's total income, not to exceed \$1,200. The amount of the credit is subject to limitations based on the taxpayer's total income and the assessed value of the real estate, which for tax year 2022 must not exceed \$912,000. For purposes of calculating the credit, total income and maximum credit thresholds are adjusted annually. For tax year 2022, an eligible taxpayer's total income cannot exceed \$64,000 in the case of a single filer who is not a head of household filer; \$80,000 for a head of household filer; and \$96,000 for joint filers. To qualify for the credit, a taxpayer must be age 65 or older and must occupy the property as his or her principal residence.

Employer-Provided Parking, Transit Pass, and Commuter Highway Vehicle Benefits Exclusion Amounts

Massachusetts conforms to Internal Revenue Code ("IRC") § 132(f) as amended and in effect on January 1, 2022. IRC § 132(f) excludes from an employee's gross income (subject to a monthly maximum adjusted annually for inflation) employer-provided parking, transit pass, and commuter highway vehicle transportation benefits. The IRS has determined the 2022 monthly exclusion amounts to be \$280 for employer-provided parking and \$280 for combined transit pass and commuter highway vehicle transportation benefits.

Modification to the Exclusion of Student Loan Forgiveness Income

IRC § 108(f)(5) excludes from federal gross income discharges of certain student loans for tax years beginning on or after January 1, 2021, and ending on or before December 31, 2025, regardless of the reason for the discharge. Massachusetts conforms to IRC § 108(f)(5) as currently in effect. Therefore, income from the discharge of student loans excluded by IRC § 108(f)(5) may also be excluded from Massachusetts gross income. In addition, recently enacted MGL ch 62, § 2(a)(2)(R) excludes from Massachusetts gross income, to the extent not otherwise already excluded, income attributable to the discharge of certain student loans. The exclusion in MGL ch 62, § 2(a)(2)(R) and IRC § 108(f)(5) are largely the same, except that the exclusion in MGL ch 62, § 2(a)(2)(R) does not expire. See MGL ch 62, § 2(a)(2)(R) for additional information.

New-Ordinary and Necessary Business Expense Deductions Available for Licensed Massachusetts Marijuana Businesses

IRC § 280E prohibits trades or businesses that traffic in controlled substances from claiming any ordinary and necessary business expense deductions provided by the IRC, other than for the cost of goods sold. As a result, because marijuana remains federally classified as a Schedule I controlled substance and is illegal to sell under federal law, licensed marijuana businesses are unable to claim ordinary and necessary business expense deductions for federal income tax purposes, other than for the cost of goods sold. Effective for tax years beginning on or after January 1, 2022, Massachusetts decoupled from IRC § 280E with respect to licensed marijuana businesses only. As a result, a licensed Massachusetts marijuana business can deduct ordinary and necessary business expenses that would otherwise be disallowed under IRC § 280E. See MGL ch 62, § 2(d)(4) for more information.

New-Wind Power Incentive Jobs Credit

For tax years beginning on or after January 1, 2023, and until tax years beginning on or after January 1, 2033, a business subject to tax under MGL ch 62 may, to the extent authorized by the offshore wind tax incentive program established in MGL ch 23J, § 8A(d), be allowed a refundable jobs credit in an amount determined by the Massachusetts Clean Energy Technology Center, in consultation with the Department of Revenue. A business taking this credit must commit to the creation of a minimum of 50 net new permanent full-time employees in Massachusetts. If the credit exceeds the taxpayer's income tax liability for the taxable year, 90 percent of such excess credit may be refunded to the taxpayer. Excess credit amounts cannot be carried forward to subsequent taxable years. In the event a taxpayer's certification as an offshore wind company is revoked, the recapture of credit may be required. In the case of a pass-through entity claiming the credit, the credit must be attributed on a pro rata basis to the owners, partners, or members of the pass-through entity. See MGL ch 62, § 6(bb) for additional information.

New-Wind Power Incentive Investment Credit

For tax years beginning on or after January 1, 2023, and until tax years beginning on or after January 1, 2033, a business subject to tax under MGL ch 62 may, to the extent authorized by the offshore wind tax incentive program established in MGL ch 23J, § 8A(d), be allowed a refundable credit in an amount, as determined by the Massachusetts Clean Energy Technology Center, of up to 50 percent of its total capital investment in an offshore wind facility. The total amount of the credit awarded will be distributed in equal

parts over five taxable years that correspond to the period in which the business is certified. Eligibility requirements vary depending on whether the business owns or leases the offshore wind facility, but, in general, the business must (i) be a certified offshore wind company; (ii) have a total capital investment in an offshore wind facility that equals not less than \$35,000,000; and (iii) that offshore wind facility must employ not less than 200 new full-time employees by the fifth year of the business' certification. A business claiming this credit may not also claim the Wind Power Incentive Jobs Credit, MGL ch 62, § 6(bb), or the Economic Development Incentive Program Credit, MGL ch 62, § 6(g), in the same taxable year. In the event a taxpayer's certification as an offshore wind company is revoked, the recapture of credit may be required. In the case of a pass-through entity claiming the credit, the credit must be attributed on a pro rata basis to the owners, partners, or members of the pass-through entity. See MGL ch 62, § 6(cc) for additional information.

New-National Guard Employee Credit

For tax years beginning on or after January 1, 2023, a business subject to tax under MGL ch 62 that employs not more than 100 employees may be allowed a credit equal to \$2,000 for each member of the Massachusetts national guard hired by the business after July 1, 2022. To be eligible for a credit: (i) the primary place of employment and the primary residence of the member of the Massachusetts national guard must be in Massachusetts; and (ii) not later than the day an individual begins work, a business shall have obtained the applicable certification from the office of the adjutant general that the individual is a member of the Massachusetts national guard. A business that claims this credit is eligible for a second credit of \$2,000 in the subsequent taxable year with respect to such member of the Massachusetts national guard, subject to certification of continued employment during the subsequent taxable year. The total cumulative credits awarded for all taxpayers may not exceed \$1,000,000 annually and shall be authorized on a first-come, first-served basis. The credit is nontransferable and nonrefundable. Any amount of the credit that exceeds the tax due for a taxable year may be carried forward to any of the three subsequent taxable years. In the case of a pass-through entity claiming the credit, the credit must be attributed on a pro rata basis to the owners, partners, or members of the pass-through entity. See MGL ch 62, § 6(aa) for additional information.

Disability Hire Tax Credit

For tax years beginning on or after January 1, 2023, businesses subject to tax under MGL ch 62 that hire employees with a disability who live and work in Massachusetts may be eligible for a credit. The credit is equal to the lesser of \$5,000 or 30% of the wages paid to a qualified employee

in the first year of employment, and the lesser of \$2,000 or 30% of the wages paid to a qualified employee in each subsequent year of employment. For an employer to claim a credit with respect to an employee, the employee must (i) be certified by the Massachusetts Rehabilitation Commission as being disabled under the federal American Disabilities Act, 42 USC § 12102, (ii) be capable of working independently, (iii) have a mental or physical disability that constitutes or results in a substantial impediment to employment, (iv) be hired after July 1, 2021, and (v) be employed by the business for at least 12 consecutive months prior to and in the taxable year in which the credit is claimed. The credit is refundable but is not transferable. For additional information, see 830 CMR 63.38JJ.1: Disability Employment Tax Credit (WORKING DRAFT) (<https://www.mass.gov/regulations/830-CMR-6338jj1-disability-employment-tax-credit-working-draft>).

Changes to the Film Incentive Credit

Motion picture companies subject to tax under MGL ch 62 may claim credits with respect to certain payroll and production expenses. For tax years beginning on or after January 1, 2022, in addition to meeting other requirements, a taxpayer must now either incur at least 75% of the motion picture's production expenses in Massachusetts or at least 75% of the motion picture's total principal photography days must take place in Massachusetts for the project to qualify for a credit for certain production expenses. A 50% threshold applied to prior tax years. See TIR 22-5 for additional information.

Repeal of Deduction for Energy Patents

For taxable years beginning on or after January 1, 2022, taxpayers may no longer deduct income from certain patents that are useful for energy conservation or alternative energy development. See TIR 22-5 for more information.

Repeal of Medical Device User Fee Credit

For tax years beginning on or after January 1, 2022, taxpayers that develop or manufacture medical devices in Massachusetts may no longer claim a credit for user fees they pay when submitting certain medical device applications and supplements to the Food and Drug Administration, as had been allowed in previous tax years. However, taxpayers will still be able to transfer previously awarded credits, and transferees will be able to apply unused amounts of the credit for up to five years after the credit was awarded. See TIR 22-5 for additional information.

Delay in Reinstatement of the Personal Income Tax Deduction for Charitable Contributions

The Massachusetts charitable deduction, which has been suspended since the 2002 tax year, was scheduled to be reinstated for tax years begin-

ning on or after January 1, 2022. However, this reinstatement has been delayed, and will be available for tax years beginning on or after January 1, 2023. See TIR 22-5 for additional information.

Updated IRC Conformity Date ("Code Update")

In general, a taxpayer's Massachusetts gross income, and many deductions, are based on the taxpayer's federal gross income and deductions under the IRC as of a specific date. For tax years beginning on or after January 1, 2022, the Massachusetts personal income tax generally conforms to the IRC as amended on January 1, 2022. Privacy Act Notice

Under the authority of 42 USC § 405(c)(2)(C)(i), and MGL ch 62C, § 5, DOR has the right to require an individual to furnish his or her Social Security number on a state tax return. This information is mandatory. DOR uses Social Security numbers for taxpayer identification to assist in processing and keeping track of returns and in determining and collecting the proper amount of tax due. Under MGL ch 62C, § 40, the taxpayer's identifying number is required to process a refund of overpaid taxes. Although tax return information is generally confidential pursuant to MGL ch 62C, § 21, DOR may disclose return information to other taxing authorities and those entities specified in MGL ch 62C, §§ 21, 22 or 23, and as otherwise authorized by law.

Filing Your Massachusetts Return

If you were a resident of Massachusetts and your gross income was more than \$8,000 — whether received from sources inside or outside of Massachusetts — you are required to file a Massachusetts income tax return. If your gross income was \$8,000 or less, you do not need to file a return.

If you did not live in Massachusetts but received Massachusetts source income in excess of your personal exemption amount multiplied by the ratio of your Massachusetts income to your total income, you must file as a nonresident on the Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.

If, during the taxable year, you either moved to Massachusetts or terminated your status as a Massachusetts resident to establish residency outside the state, and your gross income was more than \$8,000 — whether received from sources inside or outside of Massachusetts — you must file as a part-year resident on the Form 1-NR/PY.

What Is Gross Income?

Massachusetts gross income includes the following:

- ▶ All wages, salaries, tips, bonuses, fees and other compensation;
- ▶ Taxable pensions and annuities;
- ▶ Pension income from another state or political subdivision before any deduction;
- ▶ Taxable IRA/Keogh and Roth IRA distributions;
- ▶ Taxable alimony, see Schedule X instructions;

- ▶ Income from a business, trade, profession, partnership, S corporation, trust or estate;
- ▶ Rental, royalty and REMIC income;
- ▶ Unemployment compensation;
- ▶ Taxable interest and dividends;
- ▶ Gambling winnings;
- ▶ Capital gains;
- ▶ Forgiveness of debt;
- ▶ Mortgage forgiveness;
- ▶ Taxable portion of scholarships and fellowships; and
- ▶ Any other income not specifically exempt.

Massachusetts gross income also includes the following, which are not subject to U.S. income tax:

- ▶ Interest from obligations of states and their political subdivisions, other than Massachusetts and its political subdivisions; and
 - ▶ Income earned by a resident from foreign employment.
- Massachusetts gross income does not include:
- ▶ Interest on obligations of the U.S. and U.S. territories;
 - ▶ Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. government or the Commonwealth of Massachusetts and its political subdivisions.
 - ▶ Amounts received as U.S. Social Security, public welfare assistance, Veterans Administration disability payments, G.I. Bill education payments, certain worker's compensation, gifts, accident or life insurance payments, or certain payments received by Holocaust survivors; and
 - ▶ Compensation earned by members of the armed forces for service in a combat zone (excluded to the same extent as under federal law).

Am I a Resident, Nonresident, or Part-Year Resident?

There are four different categories of resident status under Massachusetts tax law:

- ▶ You are a full-year resident if your residence (domicile) is in Massachusetts or if you maintain a permanent place of abode in Massachusetts and during the year spend more than 183 days, in the aggregate, in the state. If you fit this description you should file a Massachusetts Resident Income Tax Return, Form 1.
- ▶ You are a nonresident if you were not a resident of Massachusetts but earned Massachusetts income (e.g., from a job in Massachusetts). You must report such income by filing a Massachusetts Form 1-NR/PY.

- ▶ You are a part-year resident if you either moved into or moved out of Massachusetts during the taxable year. In this case, you must reduce certain income, deductions and exemptions based on the number of days you were a resident or on the amount of your income that is subject to Massachusetts tax. Part-year residents must file a Massachusetts Form 1-NR/PY.

- ▶ You are both a nonresident and part-year resident if you meet the criteria above for both the part-year resident and nonresident categories. If filing as a nonresident and part-year resident, the Schedule R/NR must be completed.

Are Military Personnel Required to File?

If you enlisted in the service as a Massachusetts resident and have not established a new domicile (residence) elsewhere (refer to military guidelines), and if your gross income is more than \$8,000, you are required to file a Massachusetts resident income tax return. This applies even though you may be stationed outside of Massachusetts. The words residence and domicile are used to denote the place where you have your permanent home and to which, whenever you are absent, you have the intention of returning. Non-resident military personnel stationed in Massachusetts may be subject to Massachusetts taxes and should file Form 1-NR/PY if they earn income from outside military sources.

Military Spouses. The Military Spouses Residency Relief Act (P.L. 111-97) prohibits a service-member's spouse from either losing or acquiring a residence or domicile for purposes of taxation because of being absent or present in any U.S. tax jurisdiction solely to be with the service-member in compliance with the servicemember's military orders. In general, for Massachusetts tax purposes, the law affects only servicemembers and their spouses who are domiciled in a state other than Massachusetts.

Under federal law, a military spouse is allowed, in some circumstances, to elect to use the same residence for purposes of taxation as the servicemember regardless of the date on which the marriage of the spouse and the servicemember occurred. For further information on the Massachusetts implications of the federal law, see TIR 19-15.

What Are the Rules for Filing a Joint Return?

A joint Form 1 is not allowed if both spouses were not Massachusetts residents for the same portion of 2022.

If your spouse died during 2022, you may still choose to file a joint return.

If you are legally married, you have the option of filing either a joint return or a married filing sep-

arate return. Married taxpayers who file a joint return are allowed to claim the following exemptions, deductions and credits which married taxpayers filing separate returns may not claim:

- ▶ A credit of \$180 (\$360 for two or more dependents) for a dependent member of household under age 12, or dependent age 65 or over as of December 31, 2022 (not you or your spouse) or a disabled dependent;
- ▶ No Tax Status if joint Massachusetts AGI was \$16,400 or less plus \$1,000 for each dependent;
- ▶ Limited Income Credit if joint Massachusetts AGI is between \$16,400 and \$28,700 plus \$1,750 for each dependent;
- ▶ Excess unused exemptions against interest income (other than interest from Massachusetts banks), dividends or capital gain income; and
- ▶ A senior circuit breaker tax credit allows senior citizens meeting certain eligibility criteria to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent, and which they occupy as their principal residence. The credit is the amount by which the real estate tax payment or 25% of the rent constituting real estate tax payments exceeds 10% of their total income, but not more than \$1,200. The credit is refundable to the extent the credit exceeds the taxpayer's tax liability.

How Do I File a Decedent's Return?

A final income tax return must be filed for a taxpayer who died during the taxable year. This return should include income received until date of death. It must be signed and filed by his/her personal representative, administrator or surviving spouse for the portion of the year before the taxpayer's death. Be sure to fill in oval 1 if the taxpayer who was listed first on last year's income tax return is deceased, or oval 2 if the taxpayer who was listed second on last year's income tax return is deceased. Also, enclose Form M-1310, Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer, with the refund claimant's name and Social Security number clearly printed.

A joint return may be filed by a surviving spouse. In the case of the death of both spouses, a final return must be filed by their legal representative.

Any income of \$100 or more received for the decedent for the taxable year after the decedent's death, and for succeeding taxable years until the estate is completed, must be reported each year on Massachusetts Form 2, Massachusetts Fiduciary Income Tax Return. Form 2 is available online at mass.gov/dor.

If the decedent's return shows a refund due, and if the Probate Court has not appointed a legal representative and none is contemplated, a Massa-

chusetts Form M-1310 must be enclosed with the return so the refund check may be made payable to the proper person.

Should I Make Estimated Tax Payments in 2023?

Every resident or nonresident who expects to pay more than \$400 in Massachusetts income tax on income which is not covered by Massachusetts withholding must pay Massachusetts estimated taxes. Estimated tax payments can be made online by using MassTaxConnect at www.mass.gov/masstaxconnect or by filing Massachusetts Form 1-ES. See line 40 instructions and TIR 04-25 for more information.

When to File Your Return

Your 2022 Massachusetts Form 1 is due on or before April 18, 2023. See "Filing Due Dates" above.

Automatic Extensions

All taxpayers filing personal income tax returns are automatically granted a six-month extension of time to file their tax return as long as at least 80% of the total amount of tax ultimately due on or before the due date prescribed for payment of the tax has been paid. See TIR 16-10.

Also, if you are making a payment of \$5,000 or more, you are required to submit your extension payment electronically. Failure to do so will result in a penalty. If you are making a payment of less than \$5,000, you also have the option of filing your extension electronically. You do not need to file an extension if no payment is due. If there is a tax due with your extension, payment can be made through Electronic Funds Withdrawal.

Form 1 Extension Worksheet

1. Enter amount from Form 1, line 32.....

2. Enter the total of Form 1, lines 38 through 40 and 43 through 47.....

3. Amount due. Subtract line 2 from line 1, not less than 0.....

Note: Your extension will not be valid if you fail to pay 80% of your total tax liability through withholding, estimated tax payments or with your extension.

Must I File on a Calendar Year Basis?

No. You may file on a fiscal year basis if you keep your books and records on that fiscal year basis and if you receive permission from the Commissioner of Revenue. If you file on a fiscal year basis, you must file on or before the fifteenth day of the

fourth month after the end of your fiscal year. Taxpayers filing on a fiscal year basis must complete and file Form 13, Notice of Designation of Fiscal Year, available at mass.gov/dor or by calling (617) 887-6367 or toll-free in Massachusetts (800) 392-6089.

Fiscal Year Filers

Fiscal year filers should file using the tax form for the calendar year within which the short year falls. If the short year spans more than one calendar year, the filer should file using the tax form for the calendar year in which the short year began. If the current form is not available at the time the short year filer must file, the filer should follow the rules explained in TIR 11-12.

What If I am Unable to Pay?

If you are unable to pay the full amount of tax that you owe, you should pay as much of your tax liability as possible with this return. You will receive a bill from DOR for the remaining amount of tax due plus accrued interest and penalty charges. If the amount of that bill is less than \$10,000 and you still cannot pay it in full, you must apply formally to DOR for a small payment agreement in order to avoid collection activity. You can apply for a small payment agreement by visiting MassTaxConnect at mass.gov/masstaxconnect.

Note: Do not mail your request for a payment agreement with your tax return. Requests can be made once a bill is issued through DOR's MassTaxConnect application at mass.gov/dor or by calling DOR at (617) 887-6367. Setting up a small payment agreement will allow you to make monthly payments within a set time period to satisfy your unpaid liability.

Name and Address

Print the full name, address, and Social Security number of each person filing the return in the spaces provided. Enter names as they appear on your federal return.

Social Security Number(s)

Be sure to enter your Social Security number(s) on your return. Also, enter your Social Security number on pages 2 through 4 of Form 1 and on page 2 of Schedule B or Schedule C, if filed. Failure to show the correct Social Security number in the space provided will delay the processing of your return. If filing jointly, list your number and your spouse's number in the order they appear on your federal return. Taxpayers filing their U.S. return using an Individual Taxpayer Identification number (ITIN) should enter that ITIN as their Social Security number in the appropriate space. Also, be sure your employer has listed the correct Social Security number on your Form W-2. If you are married, you must list your spouse's

name and Social Security number even if you are filing a separate return.

To apply for an SSN, you must complete Form SS-5. Form SS-5 is available online at socialsecurity.gov, from your local Social Security Administration (SSA) office, or by calling the SSA at (800) 772-1213. It usually takes about two weeks to receive an SSN. If you are a nonresident or resident alien and you do not have and are not eligible for an SSN, you must apply for an ITIN. For details on how to do so, see Form W-7 and its instructions. Form W-7 is available online at irs.gov or by calling the IRS at (800) 829-1040. It usually takes about four to six weeks to receive an ITIN.

Note: You must wait until you receive an ITIN or SSN to file your Massachusetts return.

Filing an Amended Return

Note: When filing an Amended return, the **Amended return** oval must be filled in. For example, if you are filing an Amended return as due to Federal change, both the **Amended return** oval and the **Federal amendment** oval must be filled in.

Filing an Amended Return

If you need to change a line item on your return, complete a new return with the corrected information and fill in the **Amended return** oval. Your amended return must include all schedules filed with the original return even if there are no changes to the schedules. Mail your amended return to the same address used for original returns. Do not file Form ABT with your amended return. An amended return can be filed to either increase or decrease your tax. An amended return should also be filed to correct a credit amount (such as withholding) or to dispute a health care penalty. Generally, an amended return must be filed within three years of the date that your original return was filed. Visit mass.gov/dor/amend for more information about filing an amended return.

Federal Changes

If your amended return includes changes you have reported on an amended federal return filed with the IRS for the same tax year or if you are amending due to changes as a result of a federal audit, fill in the **Federal amendment** oval.

If your amended return does not report changes that result from the filing of a federal amended return or from a federal audit (for example, if the amended Massachusetts return is reporting a rental deduction not claimed on the original return) fill in only the **Amended return** oval.

Other Jurisdiction Change

If your amended return includes changes resulting from another state or jurisdiction audit or change, fill in the **Other Jurisdiction change** oval and enter date of change in the space provided.

Amended return due to IRS BBA Partnership Audit

If your amended return includes changes made due to an IRS BBA Audit, fill in the **Amended return due to IRS BBA Partnership Audit** oval.

Consent to Extend the Time to Act on an Amended Return treated as Abatement Application

In certain instances, an amended return showing a reduction of tax may be treated by DOR as an abatement application. Under such circumstances, by filing an amended return, you are giving your consent for the Commissioner of Revenue to act upon the abatement application after six months from the date of filing. See TIR 16-11. You may withdraw such consent at any time by contacting the DOR in writing. If consent is withdrawn, any requested reduction in tax will be deemed denied either at the expiration of six months from the date of filing or the date consent is withdrawn, whichever is later.

Filing an Application for Abatement

File an Application for Abatement only to dispute one of the following:

- ▶ Penalties
- ▶ Audit assessments
- ▶ Responsible person determinations

For the fastest response time, file your dispute online at mass.gov/masstaxconnect. If you cannot file online, use Form ABT.

Visit mass.gov/dor/amend for additional information about filing an amended return, or filing an application for abatement.

Form 1 Frequent Errors

Not entering the information below correctly may result in an item being adjusted or removed.

- ▶ **Line 2c** – You must fill in the bubble for each spouse over 65 and enter a “1” or “2” in the Total box accordingly.
- ▶ **Line 3** – If you are a Massachusetts state, city, town, or county employee, you must report the State wages, tips etc. amount from box 16 of Form W-2.
- ▶ **Line 14** – Enter the total qualified rent paid in 2022 in the box, then divide by 2.
- ▶ **Line 38** – You must submit all documents that have Massachusetts withholding, including pass-through entity or K-1 withholding.
- ▶ **Lines 39 and 40** – Be sure to differentiate any overpayment from 2021 as a credit carry forward on line 39 and do not list it as 2022 estimated tax payment on line 40.
- ▶ **Line 44** – Schedule CB must be completed and submitted with your return.

▶ **Line 49** – Excess Paid Family Leave withholding (PFML) is not the amount shown on your Form W-2. You must use the worksheet for line 49 to see if you qualify and to calculate the excess amount. Each taxpayer would need to have multiple W-2's and to have paid PFML greater than \$505.68 to qualify. Or, have paid on the gross amount of self-employment income, not the net.

▶ **Schedules B, C, D** – Entries should be positive values unless there is a box to mark to indicate a negative value.

▶ **Schedule HC** – You must complete and submit Schedule HC showing the FEIN and subscriber number. Form 1095 is a federal form and cannot be used to report health care coverage in Massachusetts.

Voluntary Contribution to State Election Campaign Fund

You, and your spouse if filing jointly, may voluntarily contribute \$1 each to the State Election Campaign Fund. The purpose of this fund is to provide limited public financing for campaigns of eligible candidates for statewide and elective office. This contribution will not change your tax or reduce your refund.

Veterans Benefits

Fill in the appropriate oval(s) for you, and/or your spouse if married filing a joint return, if you are a veteran who served in the Armed Forces of the United States in active service as part of Operation Enduring Freedom, Operation Iraqi Freedom, Operation Noble Eagle or Operation Sinai Peninsula and were discharged under honorable conditions and were domiciled for six months in Massachusetts immediately prior to entry into the Armed Forces. DOR will then forward the name and address to the Department of Veterans' Services and the adjutant general of the Massachusetts National Guard to verify eligibility for any benefits you may be entitled to.

Deceased Taxpayer

Be sure to fill in the appropriate oval if a taxpayer died during the taxable year. For further information, refer to the section How Do I File a Decedent's Return?

Under Age 18

If you are under age 18 as of January 1, 2023, be sure to fill in the oval(s).

Name Change

If you legally changed your name in 2022, fill in the oval. Enclose a copy of your Social Security card or driver's license showing your new name. Failure to include this documentation could delay processing of your return.

Noncustodial Parent

Fill in the oval if you are a noncustodial parent. A noncustodial parent is defined as a person who has a minor child, but does not live with the child.

Note: If you are the biological parent of a child, but your parental rights have been terminated, you are not the noncustodial parent of that child.

Schedule TDS. Inconsistent Filing Position Penalty

Fill in the oval and enclose Schedule TDS, Taxpayer Disclosure Statement, if you are disclosing any inconsistent filing positions. Schedule TDS is available on our website at mass.gov/dor. The inconsistent filing position penalty (see TIR 06-5, § IV) applies to taxpayers that take an inconsistent position in reporting income. These taxpayers must “disclose the inconsistency” when filing their Massachusetts return. If such inconsistency is not disclosed, the taxpayer will be subject to a penalty equal to the amount of tax attributable to the inconsistency. This penalty is in addition to any other penalties that may apply.

A taxpayer is deemed to have taken an “inconsistent position” when the taxpayer pays less tax in Massachusetts based upon an interpretation of Massachusetts law that differs from the position taken by the taxpayer in another state where the taxpayer files a return and the governing law in that other state “is the same in all material respects” as the Massachusetts law. The Commissioner may waive or abate the penalty if the inconsistency or failure to disclose was attributable to reasonable cause and not willful neglect.

Schedule FCI. Foreign Corporation Income

Fill in the oval and enclose Schedule FCI (Foreign Corporation Income) if you are required to complete and file Schedule FCI with your return. All taxpayers with foreign corporation income (including Global Intangible Low-Taxed Income (GILTI)) must complete Schedule FCI. Detailed instructions for completing Schedule FCI are available on DOR's website. See 2022 MA Schedule FCI and Instructions.

Digital Assets

Fill in the oval if at any time during 2022 you received (as a reward, award, or payment for property or services) a digital asset, or sold, exchanged, gifted, or otherwise disposed of a digital asset (or a financial interest in a digital asset). Digital assets include non-fungible tokens (NFTs) and virtual currencies, such as cryptocurrencies and stablecoins.

Note: Lines without specific instructions are considered to be self-explanatory.

a. Total Federal Income

Enter your total federal income (from U.S. Form 1040, line 9). If married filing separately and living in the same household, each spouse must combine their income figures from their separate U.S.

returns when completing this section. If you did not have a requirement to file a U.S. return, you must enter 0 in this section.

Note: Failure to enter this information will delay the processing of your return.

b. Federal Adjusted Gross Income

Enter your federal adjusted gross income (from U.S. Form 1040, line 11). If married filing separately and living in the same household, each spouse must combine their income figures from their separate U.S. returns when completing this section. If you did not have a requirement to file a U.S. return, you must enter 0 in this section.

Note: Failure to enter this information will delay the processing of your return.

Line 1. Filing Status

Note: More than one filing status may apply to you. If so, you may wish to figure your taxes based upon more than one filing status to see which status is to your benefit. Be sure to select only one filing status.

Single

Fill in the **Single** oval if you were single as of December 31, 2022. This status applies to you if at the close of the taxable year you fit into any of the following categories:

- ▶ You were unmarried;
- ▶ You were a widow or widower whose spouse died before 2022; or
- ▶ You were legally separated under a final judgment of the probate court.

Note that you are not single if:

- ▶ You have obtained a judgment of divorce which has not yet become final;
- ▶ You have a temporary support order; or
- ▶ You and your spouse simply choose to live apart.

Married Filing Joint Return

Fill in the **Married filing joint return** oval if you were legally married as of December 31, 2022. Both spouses are responsible for the accuracy of all information entered on a joint return and both must sign. A joint return is allowed even if only one spouse had income or if one spouse died during 2022. For further information, refer to the section "What Are the Rules for Filing a Joint Return?"

Married Filing Separate Return

Fill in the **Married filing separate return** oval if you were legally married as of December 31, 2022, and if you and your spouse are not filing a joint return. Be sure to enter your spouse's name and Social Security number in the space provided.

Head of Household

Fill in the **Head of household** oval if you qualify to file this status federally. This status is for unmar-

ried people who paid over half the cost of keeping up a home for a qualifying person, such as a child who lived with you or your dependent parent. Be sure to include such qualifying person on Schedule DI, Dependent Information. Certain married people who lived apart from their spouse for the last six months of 2022 and who meet all of the other federal requirements may also be able to use this status. See IRS Publication 501, Exemptions, Standard Deduction, and Filing Information, for more information.

Custodial Parent

Fill in the **Custodial parent who has released claim to exemption for child(ren)** oval if you are claiming the head of household filing status and you have released your claim to one or more dependent exemptions on U.S. Form 8332, or participated in a decree or agreement to allow the noncustodial parent to claim a dependency exemption.

Whole Dollar Method Required

DOR requires that the whole dollar method be used for entries made on forms or schedules. For example, amounts between \$1.00 and \$1.49 should be entered as \$1.00 and amounts between \$1.50 and \$2.00 should be entered as \$2.00. However, calculations on worksheets used to reach amounts shown on the return may be made in one of two ways:

- ▶ Round amounts before adding them up and enter the resulting total on the form; or
- ▶ Add amounts to the penny, and then round to the whole dollar for entry on the form. Either method is acceptable as long as one method is used consistently throughout the return.

Line 2. Exemptions

Line 2a. Personal Exemptions

Each taxpayer is entitled to claim a personal exemption. The amount of your personal exemption depends on your filing status in line 1.

- ▶ If you are single or married filing a separate return, enter \$4,400 in line 2a.
- ▶ If filing as head of household, enter \$6,800 in line 2a.
- ▶ If married filing a joint return, enter \$8,800 in line 2a.

Line 2b. Number of Dependents

You may claim a \$1,000 exemption for each of your dependents if you claimed them on your U.S. return. Enter in the box in item b the number of dependents you listed on U.S. Form 1040. Do not include yourself or your spouse. Then, multiply that total by \$1,000 and enter the total amount in line 2b. Be sure to fill out Schedule DI, Dependent Information, if you are claiming a dependent exemption(s). Failure to do so will delay the processing of your return.

Note: Only one person (or married couple filing jointly) may claim the dependent exemption for any one child or other dependent.

Line 2c. Age 65 or Over Before 2023

You are allowed an additional \$700 exemption if you were age 65 or over before January 1, 2023. If your spouse was age 65 or over and you are filing a joint return, you may also claim a \$700 exemption for your spouse. Fill in the appropriate oval(s) and enter the total number of persons age 65 or over in the small box. Multiply that total by \$700 and enter the total in line 2c.

Line 2d: Blindness Exemption

You are allowed an additional \$2,200 exemption if you are legally blind. If your spouse is also legally blind and you are filing a joint return, you may also claim a \$2,200 exemption for your spouse. Fill in the appropriate oval(s) and enter the total number of blindness exemptions in the small box. Multiply that total by \$2,200 and enter the total in line 2d.

Legal Definition of Blindness

You are legally blind and qualify for the blindness exemption if your visual acuity with correction is 20/200 or less in the better eye, or if your peripheral field of vision has been contracted to a 10-degree radius or less, regardless of visual acuity.

Line 2e. Medical/Dental Expenses

You may claim an exemption for medical and dental expenses paid during 2022 only if you itemized these expenses on your U.S. Form 1040, Schedule A. If you are married filing a joint U.S. Form 1040, you must file a joint Massachusetts Form 1 to claim this exemption. Enter in line 2e the amount reported on your U.S. Form 1040, Schedule A, line 4.

Line 2f. Adoption Agency Fee

If you paid adoption fees to a licensed adoption agency during 2022, you are eligible for an exemption of the total amount of the fees paid during the year. Fees paid during 2022 to an agency licensed to place children for adoption on account of the adoption process of a minor child regardless of whether an adoption actually took place during 2022 should also be included for this exemption. Enter this amount in line 2f.

5.0% Income

Note: DOR and the IRS maintain an extensive exchange program, routinely sharing computer tapes and audit results. Discrepancies between income, deductions, and schedules reported federally and on this return, except those allowed under state law, will be identified and may result in a state audit or further investigation.

Line 3. Wages, Salaries, Tips and Other Employee Compensation

Report in line 3 total state wages and allocated tips from Form(s) W-2. Generally, your total wages and allocated tips will be the same amount reported on your U.S. Form 1040, line 1z.

Note: Following are instances that require an adjustment to these amounts:

Massachusetts Residents Working in a Foreign Country

Income earned by a Massachusetts resident in a foreign country is subject to taxation in Massachusetts. If you excluded part or all of the compensation earned in a foreign country on your U.S. return (under IRC § 911), you must include any such amount in line 3 for Massachusetts tax purposes.

State or Local Employees Contributing to Pension Plans

If you are a Massachusetts state, city, town or county employee and contributed to your pension plan, enter in line 3 the Massachusetts W-2 state wage amount. This is generally box 16 of Form W-2. This amount will be higher than the U.S. amount because your pension contributions are excluded from your income for U.S. tax purposes. Contributions up to \$2,000 per taxpayer may be deducted in lines 11a and/or 11b.

Line 4. Taxable Pensions and Annuities

Income from most private pensions or annuity plans is taxable in Massachusetts. Certain government pensions, however, are exempt under Massachusetts law. In general, exempt pensions include contributory pensions from the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions, and noncontributory military pensions. The following section describes some specific pensions which are exempt. If your pension is exempt, enter 0 in line 4 and note the source on the dotted line to the left.

If your pension is not exempt, you should generally enter in line 4 the taxable amount reported on your U.S. Form 1040, line 5b. In some cases, however, Massachusetts law requires an adjustment to the federal amount. Distributions from annuity, stock bonus, pension, profit-sharing or deferred payment plans or contracts described in §§ 403(b) and 404 of the IRC must be adjusted to account for your contributions that have been previously taxed. Subtract from such income (as reported on your U.S. Form 1040, line 5a) the amount of your contributions which was previously taxed by Massachusetts until the total of your taxed contributions is received. If your pension falls into this category, enter the adjusted amount in line 4. If you are receiving distributions from an IRA or Keogh plan, do not report

the income here; instead, see the instructions for Schedule X, line 2.

Note: Massachusetts does not tax Social Security income; therefore, you should not report such income on Massachusetts Form 1.

What pensions are exempt?

► Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions.

► Pension income from other states or their political subdivisions which do not tax such income from Massachusetts, or its political subdivisions must be reported in line 4. However, this income may be eligible for a deduction on Schedule Y line 13. Refer to the instructions for Schedule Y line 13 to determine eligibility for this deduction.

► Noncontributory pension income or survivorship benefits received from the U.S. uniformed services (Army, Navy, Marine Corps, Air Force, Coast Guard, commissioned corps of the Public Health Service and National Oceanic and Atmospheric Administration) are exempt from taxation in Massachusetts.

► Massachusetts state court judges who were appointed on or after January 2, 1975 are participants in the Massachusetts contributory retirement system and their pensions are nontaxable. State court judges who were appointed prior to January 2, 1975 receive taxable noncontributory pensions.

If you retired under MGL ch 32, §§ 56–60 and are a veteran who began Massachusetts state service prior to July 1, 1939, all or part of your pension income may be subject to tax. If you elected to receive your proceeds from contributions in one lump-sum distribution, your original contributions to the retirement system are not taxable. Noncontributory pension income received after a lump-sum distribution is fully taxable and should be reported in line 4.

How do I report lump-sum distributions?

If you were an employee of the U.S., Massachusetts or one of its political subdivisions and left public employment prior to retirement, you are not required to report as income the lump-sum distribution of your previously-taxed pension contributions.

Lump-sum distributions of qualified employee benefit plans in excess of the employee's contributions which were previously subject to Massachusetts tax (or not previously excluded from Massachusetts tax) must be reported in line 4. Generally, qualified rollovers are not taxable in Massachusetts to the extent they are not taxable on your U.S. return. Lump-sum distributions related to IRA/Keogh and Roth IRA distributions

should be reported in line 9, "Other Income (from Schedule X)."

Rollover from a traditional IRA to a Roth IRA.

Taxpayers are allowed to make partial or complete rollovers from existing IRAs to Roth IRAs. Any taxable portion of these rollovers included in federal gross income is also included in Massachusetts gross income, except for amounts previously subject to Massachusetts personal income tax. See Schedule X, line 2 instructions for further details.

Line 5. Interest from Massachusetts Banks

Enter in line 5a the total amount of interest received or credited to deposit accounts (term and time deposits, including certificates of deposit, savings accounts, savings shares, and NOW accounts) in Massachusetts banks. Then, enter your exemption amount in line 5b (if married filing jointly, enter \$200; otherwise, enter \$100). Subtract line 5b from 5a and enter the result in line 5, but not less than 0.

Note: This exemption amount does not apply to your U.S. tax return.

Do not subtract interest forfeited or penalties charged to you for early savings withdrawal. You will be allowed to deduct these amounts on Schedule Y, line 2. All other interest, unless exempt, should be entered on Massachusetts Schedule B. Interest on an IRA/Keogh is not taxable until distributed.

Lines 6, 7 and 10

If showing a loss in lines 6, 7 or 10, be sure to mark over the X in the box to the left. Do not use parentheses or negative signs to indicate losses.

Line 6a. Business/Profession Income or Loss

Enter in line 6a the amount of income or loss from a business or profession from Massachusetts Schedule C, line 37. You must enclose Massachusetts Schedule C with this return.

Note: Following the Code Update, you may not deduct an excess business loss (EBL) for tax year 2022. For federal purposes, your EBL, if any, is determined using U.S. Form 461 and is added back to your income on U.S. Form 1040, Schedule 1, line 8p. You must also add back EBL to Massachusetts income. To do so, use Massachusetts Schedule X, line 6. See instructions for that line for more information.

Line 6b. Farm Income or Loss

If you operate a farm as an individual or cooperative, enter in line 6b the amount of income or loss from operating a farm from U.S. Schedule F, Profit or Loss from Farming, line 34. Enclose a copy of U.S. Schedule F. Complete a pro forma

U.S. Schedule F to report Massachusetts differences, such as bonus depreciation.

Line 7. Rental, Royalty, REMIC, Partnership, S Corporation, Trust Income or Loss

Taxpayers with income or loss reported on a Schedule E must file his or her tax return using computer-generated forms produced by third-party software. The tax return may be generated by the taxpayer or by a tax professional. The taxpayer is encouraged, but not required, to submit the return electronically. Paper forms produced using the third-party software product will contain a two-dimensional (2D) bar code and will also be accepted. If the taxpayer hires an income tax preparer to complete the taxpayer's taxes, the preparer must follow the Commissioner's electronic filing rules. See TIRs 08-22 and 16-9 for more information.

If you do not have access to a software package when filing your 2022 income tax return, you may file your Schedule(s) E on paper. Visit our website at mass.gov/dor to download a paper copy of the 2022 Schedule(s) E, E-1, E-2, E-3 (and instructions) to file with your income tax return.

Line 8a. Unemployment Compensation

If you received unemployment compensation, enter in line 8a the amount from U.S. Form 1040, Schedule 1, line 7. If you elected voluntary withholding of Massachusetts state income taxes on your unemployment compensation, be sure to include the amount of Massachusetts state income tax withheld, as reported on Form 1099-G, on Form 1, line 38b.

Note: DOR routinely matches the amounts in line 8a with files from the Division of Unemployment Assistance.

Line 8b. Massachusetts State Lottery Winnings

Enter in line 8b all winnings from the Massachusetts state lottery. Do not enter less than 0. You may only deduct the price of your winning ticket. Lottery losses claimed as itemized deductions on U.S. Form 1040, Schedule A are not allowed on your Massachusetts return.

Note: DOR routinely matches the amounts in line 8b with files from the Lottery Commission.

Line 9. Other Income (from Schedule X) Taxable Alimony Received, Taxable IRA/Keogh and Roth IRA Conversion Distributions, Other Gambling Winnings, Fees, Excess Business Loss Adjustment, and Other 5.0% Income and PFML taxable distributions.

"Other 5.0% income" includes the items listed above and must be included on Schedule X. Enter the total from Schedule X, line 7. Not less than 0. Be sure to enclose Schedule X with your return.

Failure to enclose this schedule will delay the processing of your return.

Deductions

Lines 11 through 15

Massachusetts allowable deductions differ from itemized deductions on Schedule A of U.S. Form 1040. You may claim only the deductions specified on Massachusetts Form 1, lines 11 through 14 and Schedule Y.

You are not allowed to deduct amounts unless they are directly related to income that is subject to taxation and reported on Massachusetts Form 1.

Line 11. Amount Paid to Social Security (FICA), Medicare, Railroad, U.S. or Massachusetts Retirement Systems

If you have paid into any of the retirement systems listed above during 2022, you may deduct those contributions, up to a maximum of \$2,000.

Enter in lines 11a and 11b the amount you, and your spouse if filing jointly, paid to Social Security (FICA), Medicare or Railroad Retirement and the U.S. or Massachusetts retirement systems during 2022 as shown on your Form W-2, but not more than \$2,000 each. Payment amounts may not be combined or transferred from one spouse to the other. Be sure to add any amount of Medicare tax withheld as shown on Form W-2 and any amount of self-employment tax as reported on your U.S. Form 1040 to the amount of Social Security tax withheld, the total not to exceed \$2,000 per person.

Note: Medicare premiums deducted from your Social Security or retirement payments are not deductible.

Payments to an IRA, Keogh, Simplified Employee Pension Plan (SEP), or Savings Incentive Match Plan for Employees (SIMPLE) Account are not deductible for Massachusetts income tax purposes.

Line 14. 50% Rental Deduction

You may be entitled to a rental deduction equal to one-half (50%) of the rent you paid during 2022 (up to a maximum of \$3,000 per return) for your principal residence in Massachusetts. Enter the total amount of qualified rent paid by you during 2022 in line 14a. Divide line 14a by 2 and enter the result, or \$3,000 (\$1,500 if married filing a separate return) — whichever is smaller — in line 14.

Note: This deduction amount does not apply to your U.S. tax return.

What Qualifies for the Rental Deduction?

The deduction must be for rent you paid to a landlord for the rental or lease of your principal residence in Massachusetts. If two or more persons jointly rent a unit, each occupant using it as his/her principal residence is entitled to a deduction

based on the amount of rent that each person paid. If the rent is paid by a third party (such as a parent) who maintains a principal residence elsewhere, no 50% rental deduction is allowed for either party. A principal residence does not include any residence for vacation, an apartment for a person on a temporary assignment or a student or faculty member who has a principal residence elsewhere. It also does not include any apartment or house in Massachusetts of a nonresident who has a residence in another state or country. Payment for occupying a hotel, motel or rooming house is not considered rent unless a rental agreement exists. Nor are payments by a tenant-stockholder of a cooperative housing corporation to the corporation and payments by an owner of a condominium unit to the condominium association considered rent. All separately stated charges such as utilities, furnishings or parking cannot be included in rent for purposes of this deduction. Also, rent does not include any advance payments (such as security deposit, last month's rent, etc.) until actually applied as rent.

How Do I Calculate My Rental Deduction If I Am Married Filing Separately?

If married taxpayers file separate returns, they are each entitled to a rental deduction equal to 50% of the rent each pays, not to exceed \$1,500 per return. However, a married couple filing separately may allocate the rent deduction differently, provided the amount taken by each spouse does not exceed 50% of the rent actually paid by that spouse, and provided their combined rental deductions do not exceed \$3,000. If the allocation results in one spouse claiming a deduction in excess of \$1,500, that spouse must enclose with his/her return a statement signed by the other spouse indicating consent to the allocation. The statement must contain the name, address and Social Security number of the consenting spouse and the amount of rental deduction taken by that spouse.

Line 15. Other Deductions (from Schedule Y)

Enter the total from Schedule Y, line 19. Be sure to enclose Schedule Y with your return. Failure to do so will delay the processing of your return.

Line 17. 5.0% Income After Deductions

Subtract line 16 from line 10. Enter the result in line 17. If line 16 exceeds line 10, enter 0 in line 17.

Line 19. 5.0% Income After Exemptions

Subtract line 18 from line 17. If line 18 exceeds line 17, enter 0 in line 19.

Schedule B, Line 36 and Schedule D, Line 20 Worksheet. Excess Exemptions from Interest and Dividend Income, 12% Income and Long-Term Capital Gain Income (Only if Single, Head of Household, or Married Filing Jointly)

If your total exemptions in Form 1, line 18 are more than the amount of your 5.0% income after deductions in Form 1, line 17, the excess may be applied against any interest and dividend income and income taxed at 12%. Any remaining excess amount may then be applied against any long-term capital gain income. Complete this worksheet only if Form 1, line 17 is less than Form 1, line 18 and you received interest income (other than interest from Massachusetts banks), dividends or capital gain income to determine if you qualify for the excess exemption. Enter all losses as 0.

1. Enter amount from Schedule B, line 35. Not less than 0
2. Enter amount from Form 1, line 18.
3. Enter amount from Form 1, line 17.

Be sure to enclose Massachusetts Schedule B. To determine

if you need to file Schedule B, refer to the Schedule B instructions in this booklet.

Enter in line 20 the amount from Schedule B, line 38. If not required to file Schedule B, enter dividend income of \$1,500 or less (from U.S. Form 1040, line 3b) in line 20.

Tax on 5.0% Income

Line 22. 5.0% Tax (from tax table)

If line 21 is less than \$24,000, find the proper tax by using the tax tables found in the back of this booklet. If line 21 is greater than \$24,000 multiply by 0.05 and enter the result in line 22.

Note: Personal income tax forms must provide an election to voluntarily pay tax at a rate of 5.85% on taxable income which would otherwise be taxed at a rate of 5.0%. The election to pay tax at the rate of 5.85% does not apply to items of income taxed at 12% (short-term capital gains and gains on collectibles). If choosing the optional 5.85% tax rate, multiply line 21 and Schedule D, line 21 by 0.0585 and fill in the oval.

Tax on Long-Term Capital Gains

Line 24. Schedule D (Long-Term Capital Gains and Losses Excluding Collectibles)

Enter in line 24 the amount from Schedule D, line 22, but not less than 0. To determine if you need to file Schedule D, refer to the Schedule D instructions in this booklet.

If excess exemptions were used in calculating lines 20, 23 or 24 (see Schedule B, line 36 and/or Schedule D, line 20), be sure to fill in the oval in line 24.

Line 25. Credit Recapture Amount

If any Brownfields Credit (BC), Economic Opportunity Area Credit (EOA), Low-Income Housing

Credit (LIH) or Historic Rehabilitation Credit (HR) property is disposed of or ceases to be in qualified use prior to the end of its useful life, the difference between the credit taken and the total credit allowed for actual use must be added back to your tax on Form 1. Complete and enclose Schedule CRS, Credit Recapture Schedule.

Line 26. Additional Tax on Installment Sale

An addition to tax applies for taxpayers who have deferred the gain, and the tax associated with that gain, on certain installment sales. This addition to tax is measured by an interest charge on the tax that has been deferred.

Include in line 26 an additional tax amount representing an interest charge on the deferred tax on gain from certain installment sales with a sales price over \$150,000 if you are not a dealer and the aggregate face amount of installment obligations arising during the tax year and outstanding as of the close of the tax year exceeds \$5 million. For more information see MGL ch 62C, § 32A (a) and IRC § 453A (a)-(c).

Also include in line 26 an additional tax amount representing an interest charge on the deferred gain from the installment sale of timeshares and residential lots, if the sale meets one of the following criteria:

- ▶ The sale is of a timeshare right for six weeks or less;
- ▶ The sale is for the recreational use of specified campgrounds; or
- ▶ The sale is for a residential lot and neither the dealer nor someone related to the dealer is obligated to make any improvements on the lot.

Note: If you have installment sales occurring between January 1, 1996 and December 31, 2002, you must complete and submit Schedule D-IS.

For more information see MGL ch 62C, § 32A (b) and IRC § 453(l)(2)(B).

If you are a partner in a partnership or a shareholder in an S corporation, the entity is required to send you the information you need to calculate the addition to tax under this provision.

To the extent practicable, Massachusetts follows federal income tax rules in determining the deferred gain from installment sales subject to the interest-charge addition to tax. For more information, visit DOR's website at mass.gov/dor and IRS Publication 537.

Line 30. Taxes Due Any Other State

If any of the income reported on this return is subject to taxation in another state or jurisdiction and you have filed a return and paid taxes in the other state or jurisdiction, complete the following worksheet and enter the amount of credit in line 30. Do not include taxes paid to the U.S. government. (This credit does not apply to city or local taxes.) You are allowed to claim a credit for taxes due to the following jurisdictions:

- ▶ Other states in the U.S., including payments made under the Rhode Island Temporary Disability Insurance Act (see DOR Directive (DD) 12-1);
- ▶ Any territory or dependency of the U.S. (including Puerto Rico, the Virgin Islands, Guam, the District of Columbia); or
- ▶ The Dominion of Canada or any of its provinces (less any U.S. credit amount allowable from U.S. Form 1116).

The total credit that you calculate on the worksheet is the smaller of the amount of taxes due to other jurisdictions (net of certain adjustments) or the portion of your Massachusetts tax due on your gross income that is taxed in such other jurisdictions.

Credit is not given for a property tax due to another jurisdiction on account of capital stock or property. This does not refer to a tax on gain or income from the sale of capital stock or property,

as included on Schedule B or Schedule D. Credit is also not given for any interest and penalties paid on a tax due to another jurisdiction.

Note: For questions on the Pass-through Entity Tax credit and its effect on this credit, refer to DOR Directive 19-1.

You must complete separate worksheets if you had 5.0% income and interest income (other than interest from Massachusetts banks), dividends or capital gain income taxed by another jurisdiction. If you use this worksheet to calculate a credit for interest income (other than interest from Massachusetts banks), dividends or capital gain income, substitute interest income (other than interest from Massachusetts banks), dividends or capital gain income for 5.0% income in line 1 of the worksheet. You must also substitute Schedule B, line 7 (interest and dividend income) and Schedule B, line 13 (taxable 12% capital gains) or Schedule D, line 13, (gross long-term capital gains and losses), but not less than 0, for Form 1, line 10 in line 2 of the worksheet, and the total of Form 1, line 20 multiplied by 0.05 (tax on interest and dividend income) and Form 1, line 23 (12% tax) or line 24 (tax on long-term capital gains) for Form 1, line 19 in line 4 of the worksheet.

▶ When using the worksheet to calculate credit for interest income (other than interest from Massachusetts banks), dividends or capital gain income, enter in line 1 such income taxed in another jurisdiction calculated as if it was earned in Massachusetts.

▶ If you choose to pay the optional 5.85% tax rate, substitute 0.0585 for 0.05 in line 4 of the worksheet.

Note: Be sure to complete and enclose Schedule OJC, Income Tax Due to Other Jurisdictions, and enter the two-letter state or jurisdictional postal code for each state or jurisdiction for which you are taking the credit. Taxpayers from a territory or dependency of the U.S., or the Dominion of Canada or any of its provinces, must enter "FC" as the postal code.

Line 33. Voluntary Contributions

You may contribute any amount you choose to the following funds. Remember, these amounts are added to your tax. They increase the amount of your payment or reduce the amount of your refund.

a. Endangered Wildlife Conservation. The Natural Heritage and Endangered Species Fund is administered by the Division of Fisheries and Wildlife. Contributions are used to protect and restore rare and endangered wildlife and plants, and their habitats. This fund has helped restore and conserve in the Commonwealth populations of the Bald Eagle, Hessel's Hairstreak Butterfly, the Red-belly Turtle and the Plymouth Gentian.

b. Organ Transplant Fund. The Organ Transplant Fund is administered by the Massachusetts Department of Public Health. All contributions received by the Fund assist patients with the costs of medications without which they might lose their transplanted organs. For information on how to become an organ donor, visit the Registry of Motor Vehicle's website at mass.gov/rmv.

c. Massachusetts Public Health HIV and Hepatitis Fund. The Massachusetts Public Health HIV and Hepatitis Fund is administered by the Massachusetts Department of Public Health. Contributions are used for research, experimental treat-

ment and education related to Acquired Immune Deficiency Syndrome (AIDS). Massachusetts residents living with AIDS receive experimental treatment through clinical trials which are wholly supported with this Fund. The Fund also educates people with AIDS about treatment options and how to gain access to medication and experimental treatment.

d. Massachusetts United States Olympic Fund. Contributions to this fund are used to assist Massachusetts residents in paying all or part of any costs associated with the development, maintenance and operation of the United States Olympic Team participating in the Olympics and the United States Paralympic Team participating in the Paralympics.

e. Massachusetts Military Family Relief Fund. The Massachusetts Military Family Relief Fund is administered by the Friends of Massachusetts National Guard and Reserve Families. Contributions to this fund are used to help members of the Massachusetts National Guard and Massachusetts residents who are members of the reserves of the armed forces of the United States and who have been called to active duty after the September 11, 2001 terrorist attacks, and their families, to defray the costs of food, housing, utilities, medical services, and other expenses.

f. Homeless Animal Prevention and Care Fund. The Homeless Animal Prevention and Care Fund is administered by the Department of Agricultural Resources. Contributions will help animals by reducing the number of homeless cats and dogs by spaying, neutering and vaccinating animals in shelters and animal control facilities and assisting families who would not otherwise be able to afford these services for their pets. The Fund also provides training to municipal animal control officers so that they can safely and effectively protect animals and people in their communities.

Line 34. Massachusetts Use Tax Due On Internet, Mail Order and Other Out-of-State Purchases Made in 2022

If you purchased taxable tangible personal property out of state, over the Internet or from a catalog and did not pay Massachusetts sales tax at purchase, a Massachusetts use tax is due. If an item is exempt from sales tax (such as food, or clothing that costs \$175 or less), it is exempt from use tax.

If you paid a sales or use tax to another state or territory of the United States when purchasing this item, you are generally entitled to a credit against the Massachusetts use tax, up to 6.25%. See TIR 03-01 for more information. No credit is

allowed for a value-added tax (VAT) paid to another country.

The following are items that are often purchased without paying sales tax. Residents owe use tax based on the purchase price.

- ▶ Electronics
- ▶ Appliances
- ▶ Furniture
- ▶ Jewelry
- ▶ Books
- ▶ Artwork
- ▶ Software
- ▶ Computers
- ▶ CDs and DVDs
- ▶ Video games
- ▶ Carpet
- ▶ Antiques

For example:

▶ You purchased several DVDs on the Internet for \$100 and paid no sales tax. Your use tax liability to Massachusetts on these items is \$6.25 (\$100 x .0625 = \$6.25).

▶ You purchased a computer for \$1,550 from a seller located outside of Massachusetts and paid no sales tax. Your use tax liability to Massachusetts on this item is \$96.88 (\$1,550 x .0625 = \$96.88).

Taxpayers may choose the safe-harbor option for purchases of individual items each having a total sales price of less than \$1,000. The safe-harbor provision makes it easier to comply with the use tax law by allowing taxpayers to self-report an estimated amount of use tax based on the average amount of online and/or out of state purchases a taxpayer in their income bracket would likely make during the year. Taxpayers do not need to keep receipts with safe-harbor reporting and will not be assessed additional use tax if audited, even if the actual amount of use tax due is greater than the safe-harbor amount reported.

Mass. AGI per return* Use tax liability

\$ 0 – \$ 25,000	\$ 0
25,001 – 40,000	20
40,001 – 60,000	31
60,001 – 80,000	44
80,001 – 100,000	56

If the Massachusetts AGI per return* is more than \$100,000, multiply by .000625.

*From line 7 of Massachusetts AGI worksheet.

If you did not purchase any items with a total sales price of \$1,000 or more, you may enter the safe-harbor amount from the table above directly on Form 1, line 34.

Complete the following Form 1, line 34 Worksheet to calculate your use tax if you are not reporting a safe-harbor amount or if you purchased any individual items with a sales price of \$1,000 or more. If you did purchase items with a sales price over \$1,000 and you are reporting a safe-harbor amount, add the amount from the worksheet line 4 to the safe-harbor amount.

Form 1, Line 34 Worksheet. Use Tax Due on Internet, Mail Order and Other Out-of-State Purchases

1. Total of purchases in 2022 subject to Massachusetts use tax
2. Use tax. Multiply line 1 by .0625 (6.25%)

4. Total amount due. Subtract line 3 from line 2. Not less than 0. Enter here and on Form 1, line 34

If you are subject to the Health Care Penalty for 2022 and are not appealing the application of the penalty, enter the penalty amount from line 8 of the Health Care Penalty Worksheet in line 35a for you and/or line 35b for your spouse.

If married filing a joint return and both you and your spouse are subject to the penalty, separate Health Care Penalty Worksheets must be filled out to calculate the separate penalty amounts for you and your spouse, using your married filing jointly income.

A taxpayer who does not have health insurance that meets the Massachusetts standard of minimum creditable coverage may be subject to a Massachusetts penalty.

Enter the total of lines 35a and 35b in line 35, but not less than 0.

Be sure to enclose Schedule HC with your return. Failure to do so will delay the processing of your return.

Be sure to include any last quarter (of 2022) payment made on or before January 15, 2023. Do not include any 2021 overpayment applied to your 2022 estimated tax. Every resident who expects to pay more than \$400 in Massachusetts income tax on income which is not covered by Massachusetts withholding must pay Massachusetts estimated taxes. Estimated tax payments can be made online by using MassTaxConnect by visiting mass.gov/dor or by filing Massachusetts Form 1-ES.

Income that is not subject to withholding includes:

- ▶ Salaries and wages where the employer is not subject to Massachusetts withholding;
- ▶ Dividends and interest, including interest from Massachusetts banks;
- ▶ Gains from capital assets;
- ▶ Income from an individual trade, business or profession;
- ▶ Income from any estate or trust not taxed directly;
- ▶ Certain pensions;
- ▶ Taxable Keogh or IRA distributions (only if you elected not to have federal withholding);

- ▶ Unemployment compensation (from which no Massachusetts income tax was withheld);
- ▶ Taxable alimony received;
- ▶ Distributions from SIMPLE accounts;

You may verify estimated tax payments that have already been made through your MassTaxConnect account. If you don't have a MassTaxConnect account, you can sign up at www.mass.gov/masstaxconnect.

You may request your employer to withhold additional amounts from your salary on Form M-4, Massachusetts Employee's Withholding Exemption Certificate to cover the taxes on other income so that you do not have to file and pay estimated taxes.

If 80% of the tax is not paid throughout the year through withholding and/or estimated payments, a penalty may be imposed.

Line 41. Payments Made with Extension

Use this line only if you are amending the original return. Enter in line 42 the amount of tax you paid with the original return from line 54, "Tax Due." If estimated tax payments were made on the original return, they should be reflected on line 40, as on the original return. Select the appropriate Amended return oval on page 1. Complete the entire return, correct the appropriate line(s) with the new information and recompute the tax liability. On an enclosed sheet, explain the reason for the amendment(s) and identify the line(s) and amount(s) being changed on the amended return. Mail the amended return to Massachusetts Department of Revenue, PO Box 7031, Boston, MA 02204. Line 43. Earned Income Credit

The Earned Income Credit (EIC) is a tax credit for certain taxpayers who work and have earned income under \$59,187 (maximum amount may be lower depending on filing status and number of eligible children). Taxpayers who qualify for and claim the federal EIC are allowed a refundable credit equal to 30% of the federal amount. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year by the taxpayer, the excess amount of the credit will be refunded to the taxpayer without interest. You must enter the number of qualifying children, if any, in line 43a. Then, enter in line 43b the federal EIC amount from your U.S. Form 1040, line 27. Multiply this amount by 0.30 (30%) and enter the result in line 43. Be sure to fill out Schedule DI, Dependent Information, if you are claiming this credit for one or more qualifying children/dependents. Failure to do so will delay the processing of your return.

If you choose to have the IRS compute your federal EIC, wait until the IRS notifies you of that amount before making an entry in line 43. If you do not receive this information before April 18, 2023, and you are expecting a refund, you may have additional time to file your return. See When to File Your Return on page 6 for more information. For more information about the federal EIC, see IRS publication 596, available at irs.gov.

Note: If you are considered married for federal and Massachusetts income tax purposes, you generally must file a joint return with your spouse to claim the EIC. However, recent federal legislation has expanded this beginning with tax year 2022. Massachusetts adopts the expansion of the federal EIC in calculating the Massachusetts EIC. In addition, even if you don't qualify under the newly expanded rules, if you are a victim of domestic abuse you may file a return as married filing separately and still claim the EIC in Massachusetts if the following apply to you:

- ▶ You are living apart from your spouse at the time you file your tax return; and
- ▶ You are unable to file a joint return because you are a victim of domestic abuse.

If you have a filing status of married filing separately and you claim the EIC under the Massachusetts exception, you should keep records demonstrating the existence of domestic abuse. What constitutes adequate records will vary depending upon your circumstances. Some examples of documents that may meet this record-keeping requirement include (do not enclose these records with your tax return):

- ▶ Protective and/or restraining order;
- ▶ Police report;

- ▶ Doctor's report or letter;
- ▶ A statement from someone who was aware of, or who witnessed, the abuse or the results of the abuse. The statement should be notarized if possible; or
- ▶ A sworn statement from you attesting to the abuse.

To claim this exception, you must fill in the oval on line 43. To determine if you qualify for the credit with a filing status exception as a victim of domestic abuse, you should complete the IRS EIC worksheet.

Note: You should answer No to question 4 of the EIC worksheet and when looking up the amount of the credit in the EIC table you should use the column for the filing status "single" and the number of children you have.

To determine line 43, "Amount from U.S. return":

- ▶ U.S. Form 1040, EIC Worksheet A filers should use the amount from Worksheet A, line 6.
- ▶ U.S. Form 1040, EIC Worksheet B filers should use the amount from Worksheet B, line 11.

See TIR 17-10 for more information.

Line 44. Senior Circuit Breaker Credit

Certain senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is \$1,200 for the tax year beginning January 1, 2022. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year by the taxpayer, the excess amount of the credit will be refunded to the taxpayer without interest. To determine if you qualify for this credit, refer to the Senior Circuit Breaker Credit instructions in this booklet.

If you qualify for this credit and you are a homeowner, enter the amount from Schedule CB, Circuit Breaker Credit, line 17; if you are a renter, enter the amount from line 21. Be sure to complete and enclose Schedule CB with your return.

Line 45. Child Under Age 13, or Disabled Dependent/Spouse Care Expenses

Massachusetts allows taxpayers to exceed the federal limit on employment-related expenses for the care of a qualified child under the age of 13, a disabled dependent or a disabled spouse. The maximum credit is \$240 for one qualifying individual, and \$480 for two or more qualifying individuals. Complete the following Form 1, Line 45 Worksheet to calculate your Massachusetts child or disabled dependent/spouse care expense credit.

Note: You cannot claim this credit if married filing a separate U.S. Form 1040. If you are filing a joint U.S. Form 1040 return but are married filing separately for Massachusetts purposes, either spouse may claim the credit for expenses he or she incurred, but their combined credit cannot exceed \$240 for one qualifying individual or \$480 for two or more qualifying individuals.

Taxpayers who received dependent care benefits should complete a pro forma U.S. Form 2441. When completing this pro forma form, taxpayers should enter \$240 (or \$480 for two or more qualifying persons) in line 27 of U.S. Form 2441. The amount from this pro forma Form 2441, line 31 should then be entered in line 1 of the following worksheet.

Form 1, Line 45 Worksheet. Child Under 13 or Disabled Dependent/Spouse Care Credit

1. Enter the amount of qualified expenses you incurred and paid in 2022 for a qualifying person(s). Do not enter more than \$240 for one qualifying person or \$480 for two or more persons.

2. Enter the amount from U.S. Form 2441, line 4.

3. Enter the amount from U.S. Form 2441, line 5.

4. Enter the smallest of line 1, 2 or 3.

5. If you paid 2021 expenses in 2022, enter the amount of the allowed 2021 expenses used to compute the credit on U.S. Form 2441, line 9. Otherwise, enter 0.

6. Add lines 4 and 5. Not to exceed more than \$240 for one qualifying person or \$480 for two or more persons. Enter here and in Form 1, line 45.

Note: If you choose to take a credit on Form 1, line 45 you cannot take the credit on Form 1, line 46.

Line 46. Dependent Member(s) of Household Under Age 12, or Dependents Age 65 or Over (not you or your spouse) as of December 31, 2022, or Disabled Dependent

You may claim a credit of \$180 for a dependent member of household, or \$360 for two or more dependents, under age 12, or dependent age 65 or over (not you or your spouse) as of December 31, 2022, or disabled dependent. Enter the number of qualified dependents in line 46a, not to exceed two, and multiply that amount by \$180. Enter the result in line 46. Only if single, head of household or married filing jointly. You cannot claim this credit if married filing a separate return.

Note: You may claim an amount in line 46 only if there is no entry in line 45.

Line 47. Other Refundable Credits

Enter in line 47 the amount from Schedule CMS, Credit Manager Schedule.

Be sure to enclose Schedule CMS with your return. Failure to do so will delay the processing of your return. For more information on Schedule CMS, refer to the Schedule CMS instructions on page 31.

Line 49. Excess Paid Family Leave Withholding

Businesses are required to withhold Paid Family and Medical Leave (PFML) contributions from employees and individuals whose payments for services are reported on U.S. Form 1099-MISC (1099-MISC workers) up to the annual income limit set by the Social Security Administration for the Social Security Program.

Self-employed individuals not otherwise covered by PFML may opt to participate in the PFML program and pay PFML contributions from their net earnings from their self-employment income, subject to this same limitation. For the 2022 tax year, the income limit is set at **\$147,000** and the maximum PFML contribution amount for most individuals is **\$505.68**. For a self employed individual not subject to PFML withholding who opts into PFML, the maximum PFML contribution is **\$999.60**.

A single employer may not withhold, and a self-employed individual may not contribute, more than the maximum PFML contribution amount in a tax year. If a single employer withholds more than the maximum yearly PFML contribution amount, the employee should contact their employer directly regarding a refund. If your PFML contributions or the amount of PFML contributions withheld on your behalf during the tax year exceeded the maximum PFML contribution amount, or you are self-employed and your contributions were made based on your gross earnings and did not take into account your business expenses, you may have excess PFML contributions that entitles you to seek a credit on your individual tax return, subject to certain requirements.

• **W-2 filers:** If you worked for two or more Massachusetts businesses that each remitted PFML contributions on your behalf during the 2022 tax year, and the total amount of your combined Massachusetts W-2 wage income exceeded **\$147,000**, you should complete the worksheet below to determine if you have excess PFML withholding. The PFML law follows the unemployment statute, malegislature.gov/Laws/GeneralLaws/PartI/TitleXXI/Chapter151A/Section1, for determining what counts as wages. If all of the wages reported on your W-2s are subject to PFML withholding, you should use the greater of Box 3 (Social Security Wages) or Box 5 (Medi-

care Wages) when completing the worksheet. If a portion of your wages are not subject to PFML withholding, you should reduce your Box 3 (Social Security Wages) or Box 5 (Medicare Wages) by any wages that were not subject to PFML withholding. To be eligible for a credit the total PFML contribution amount remitted on your behalf must exceed **\$505.68**. If you did not work for more than one employer and your PFML contributions exceeded **\$505.68**, you must seek reimbursement from your employer.

• **1099-MISC workers:** If you worked for one or more Massachusetts businesses that remitted PFML contributions on your behalf based on your 1099-MISC gross earnings during the 2022 tax year, you should complete the worksheet below to determine if you have any excess PFML contributions.

• **Self-employed individuals that opt in to PFML:** If you are a self-employed individual that has opted to participate in the PFML program, your required PFML contributions are based on your net earnings from self-employment. You may complete the worksheet below to determine if you have any excess PFML contributions.

• **Joint returns:** The maximum PFML contribution amount applies on an individual basis. If filing a joint return, figure the amount of excess PFML withholding separately for each spouse and enter the combined total.

For more information about the PFML program, including how PFML contributions are calculated, see the Department of Family and Medical Leave's (DFML) regulation at 458 CMR 2.00, and DFML's website at mass.gov/orgs/departments-of-family-and-medical-leave.

Line 49. Excess Paid Family and Medical Leave Contributions Worksheet

If you are eligible to claim a credit for excess PFML contributions, enter in line 49 the amount of excess PFML contributions as determined by completing the below worksheet.

1. Enter your income as shown on your combined Form W-2s. If greater than **\$147,000**, then enter **\$147,000**

2. W-2 PFML contribution amount. Multiply line 1 by 0.00344

3. Enter the lesser of your 1099-MISC worker net income or (**\$147,000** - line 1). If you have a loss, enter 0

4. 1099-MISC PFML contribution amount. Multiply line 3 by 0.00344

5. Enter the lesser of your self-employed opt-in net income or (**\$147,000** - (line 1 + line 3)). If you have a loss, enter 0

6. Self-employed opt-in PFML contribution amount. Multiply line 5 by 0.0068

7. Total combined PFML contribution amount. Add lines 2, 4 and 6

8. Combine actual amounts of PFML contributions shown as withheld on Forms W-2, 1099-MISC and all amounts actually contributed by a self-employed individual that opted in (No single employer can exceed the maximum PFML contribution amount)

9. Excess PFML Contributions withheld. If line 8 is equal to or less than line 7, enter zero in line 9. If line 8 is greater than line 7, subtract line 7 from line 8 and enter difference in line 9

Enter total in line 9 on line 49 of Form 1.

*If filing a joint return add the amounts on line 9 from each spouse's worksheet and enter the total, in whole dollars only, on line 49 of Form 1.

Refund Amount

Line 52. Amount of Overpayment You Want Applied to Your 2023 Massachusetts Estimated Tax

Enter the amount of your 2022 overpayment that you wish to apply to your 2023 Massachusetts estimated tax. Once an election is made to apply your overpayment to your 2023 estimated tax, it cannot be refunded after the due date of the return or applied to any additional tax you may owe for 2022, including any tax due on an amended return. The amount entered in this line can only be claimed as a credit on your 2023 Massachusetts return.

Note: This amount cannot be changed on an amended return.

Line 53. Refund Amount

Subtract line 52 from line 51. Enter the result in line 53. This is the amount of your refund.

Note: Your state tax refund may be taxable on your federal tax return if you deducted state income tax paid as an itemized deduction on U.S. Schedule A.

You may elect to have your refund deposited directly into your savings or checking account. Check with your financial institution to make sure that it accepts direct deposit and verify the routing transit number (RTN) of the issuing financial institution.

If we are unable to honor your request for a direct deposit, a paper check will be sent to you.

The routing number of your financial institution is nine digits and begins with 01 through 12 or 21 through 32. The account number can be up to 17 characters (both numbers and letters). Omit hyphens, spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. You must enter the routing number and the account number in the spaces provided in line 53 if you are requesting direct deposit. Failure to do so will result in your request for direct deposit being denied.

Tax Due

Line 54. Tax Due

If line 37 is larger than line 50, subtract line 50 from line 37, and enter the result in line 54. This is the amount of tax you owe with your return. Pay in full with your return. Go to mass.gov/dor/masstaxconnect for online payment options. If you need to mail your payment, make your check or money order payable to the Commonwealth of Massachusetts and write your Social Security number on the front of your check or money order in the lower left corner. Enclose the check with your return. Be sure to use the light blue mailing label when mailing your Form 1.

Failure to file or failure to pay the proper amount of tax when due will result in an increasing amount of interest and penalties. It is to your advantage to file when your return is due, whether or not you are able to make full payment.

If you owe any interest, penalty or addition for the underpayment of estimated tax, add those amounts to the tax you owe when making your payment.

What Are Interest and Penalties?

Interest. If you fail to pay the tax when due, interest will be charged. For an explanation of how interest is compounded in Massachusetts, see TIR 92-6, available at mass.gov/dor.

Penalty for late payment. The penalty for late payment is 1% per month (or fraction thereof) of the tax due, up to a maximum of 25%.

Penalty for failure to file. The penalty for failure to file a tax return by the due date is 1% per month (or fraction thereof) of the tax due, up to a maximum of 25%. If you were required to file a tax return for income received in any prior year and you did not file, you must file for that prior year.

Penalty for protested ("bad") payment. If your payment is not honored by your bank because of insufficient funds or any other reason, a penalty may be added of \$30 or the amount of the payment, whichever is less.

Addition for underpayment of estimated tax.

You will generally be subject to this addition to tax if you did not have withholding and/or estimated payments equal to 80% of the total tax liability required to be paid and your 2022 tax due after credits and withholding is greater than \$400. The 80% requirement is reduced to 66.67% for individuals who receive two-thirds of their income from fishing or farming. If you failed to meet these requirements, you must complete and enclose Massachusetts Form M-2210 to calculate the amount you must add to line 54. You do not have to complete Form M-2210 if the balance due with your return is \$400 or less.

You may not be subject to an underpayment penalty if you qualify for one of the following exceptions:

- ▶ You are a qualified farmer or fisherman and are paying the full amount of the tax due on or before March 1, 2023;
- ▶ You were a Massachusetts resident and were not liable for 2021 taxes (where the taxable year was 12 months); or
- ▶ The sum of your estimated payments and withholding equals or exceeds your 2021 tax (where the taxable year was 12 months and a return was filed).

If you qualify for one of these exceptions, fill in the **Exception** oval under line 54 on Form 1 and enclose Form M-2210 indicating which of the exceptions applies to your circumstances.

A limited number of taxpayers may also qualify for a waiver of the underpayment penalty for one or more installments if:

- ▶ The underpayment was because of casualty or disaster; or
- ▶ During 2021 or 2022 you retired after reaching age 62 or became disabled and the underpayment was due to reasonable cause and not willful neglect.

If you think you qualify for one of these waivers, go to mass.gov/dor and use DOR's online application for abatement return or enclose Form M-2210 and an explanatory statement with your return and fill in the **Exception** oval under line 54. If your waiver is not for all four installments, complete Form M-2210 to calculate the underpayment penalty for the installments which are not covered by the waiver. Form M-2210 is available by visiting mass.gov/dor.

Penalty for failure to report federal change.

If the IRS changes your federal taxable income for a prior year (generally through audit), file an amended return within one year of the final federal determination to avoid this penalty. This penalty is equal to 10% of the additional tax due. If

the change indicates a refund, you must file an amended return within one year of federal determination, including acceptance of an amended federal return by the IRS.

Sign Here

Now that you have completed Form 1, sign your name at the bottom of page 1 of Form 1. Your spouse must also sign if this is a joint return. Write the date you signed the return.

Note: Be sure to include all four pages of Form 1, as well as Schedule HC and all other applicable schedules.

Enclose with your Form 1 all state copies of your Forms W-2, W-2G, PWH-WA, 2G and any Forms 1099 which included Massachusetts withholding. Go to mass.gov/dor/masstaxconnect for online payment options. If you need to mail your payment, make your check or money order payable to Commonwealth of Massachusetts and be sure to sign the check and write your Social Security number on it. Also, be sure to use the light blue mailing label when mailing your Form 1 with a payment.

Paid Preparer Must Sign Your Return

Generally, anyone you pay to prepare your return must sign it in the space provided at the bottom of page 4 of the Form 1. Tax return preparers are authorized to sign the return by means of a rubber stamp, mechanical device, or computer software program, which must include either a facsimile or printed name of the preparer. Preparers are personally responsible for affixing their signatures to returns. Preparers must also provide their Social Security number (SSN) or Preparer Tax Identification Number (PTIN) and Employer Identification Number (EIN) in the spaces provided at the bottom of page 4 of the Form 1. The preparer must give you a copy of the return for your records. Someone who prepares your return but does not charge you should not sign your return.

Paid Preparer Authorization

If you want to allow the DOR to discuss your 2022 tax return with the paid preparer who signed it, fill in the **Yes** oval in the signature area of the return at the bottom of page 4 of the Form 1. This authorization applies only to the individual whose signature appears in the paid preparer section of your return. It does not apply to the firm, if any, shown in that section.

If you fill in the Yes oval, you, and your spouse if filing a joint return, are authorizing DOR to call the paid preparer to answer any questions that may arise during the processing of your return. You are also authorizing the paid preparer to:

- ▶ Give DOR any information that is missing from your return;
- ▶ Call DOR for information about the processing of your return or the status of your refund or payment(s); and
- ▶ Respond to certain DOR notices that you have shared with the preparer about math errors, offsets and return preparation. The notices will not be sent to the preparer.

You are not authorizing the paid preparer to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before DOR. If you want to expand the paid preparer's authorization, see Form M-2848, Power of Attorney and Declaration of Representative. Form M-2848 is available at mass.gov/dor.

The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2023 tax return. This is April 15, 2024 for most people.

E-File Opt Out

Income tax return preparers who completed more than 10 original Massachusetts Forms 1 and 1-NR/PY (including those E-filed) during the previous calendar year are required to use electronic means to file all personal income tax returns, unless the taxpayer specifically directs on the paper form that the filing be on paper and signs Form EFO, Personal Income Tax Declaration of Paper Filing. Fill in the oval at the bottom of page 4 of Form 1 if you do not want your preparer to file your return electronically. See TIR 11-13 for more information.

Mailing

E-filing is the fastest most efficient way to submit your return and to receive your refund. However, if you are mailing your return follow these guidelines:

- ▶ If you are expecting a refund or if you have no tax due, use the white mailing label on the back of the envelope that came with this booklet. If you do not have one, mail your original or amended Form 1 to **Massachusetts Department of Revenue, PO Box 7000, Boston, MA 02204-7000**. If using a tax software product, be sure to use the correct PO box. See the inside front cover for this information.
- ▶ If you have a tax due, use the light blue mailing label on the back of the envelope that came with this booklet. If you do not have one, mail your original or amended Form 1 to **Massachusetts Department of Revenue, PO Box 7003, Boston, MA 02204-7003**. If using a tax software product, be sure to use the correct PO box. See the inside front cover for this information.

Note: Schedule lines without specific instructions are considered to be self-explanatory. Be sure to list on each schedule the name and Social Security number that appears first on Form 1. Do not cut or separate schedules.

Schedule DI

Be sure to enclose with Form 1.

In the spaces provided enter the name, Social Security number, date of birth and the relationship of the dependent to you (son, daughter, mother, father, etc.). Also, if the dependent is a qualifying child for the Earned Income Credit, fill in the oval. If you are claiming more than 10 dependents, enclose a statement listing the name, Social Security number, date of birth and the relationship of the dependent to you and if the dependent is a qualifying child for the Earned Income Credit.

Schedule X

Other Income

Complete the Schedule X, Line 2 Worksheet to calculate the taxable portion of any amount you received from an Individual Retirement Account (IRA), Keogh, qualified charitable IRA distribution or Roth IRA conversion distribution. Since Massachusetts does not allow a deduction for amounts originally contributed to an IRA or Keogh, the distributions are not taxable until the full amount of your contributions which were previously subject to Massachusetts taxes are recovered.

Contributions made to Keogh accounts prior to 1975 were deductible when made. Therefore, no deduction may be taken from a Keogh distribution for amounts contributed before 1975.

Note: Contributions from a deferred plan, such as a 401(k), that were rolled over into an IRA are not considered previously taxed contributions and are fully taxable upon distribution.

Line 3. Other Gambling Winnings

Enter in Schedule X, line 3 all gambling winnings from casinos, raffles, races, beano or other events of chance, wherever held, and winnings from non-Massachusetts lotteries. Line 4. Fees and Other 5.0% Income

The following items should be reported on line 4 of Schedule X. Do not enter less than 0. Enclose additional statements if more space is needed.

► All fee income, such as payments for jury duty, election worker payments, director's fees, compensation received as executor or administrator of an estate, and commission income or tips not reported in line 3 of Form 1 are taxable. Also, report all bartering income not reported on Schedule C (the fair market value of goods or services received in payment for your services).

► All prizes and awards won in a quiz program, drawing, beauty contest, etc. are taxable at fair market value. Awards and bonuses received from your employer for performance of services not part of a qualified award plan are also taxable.

► Forgiveness of debt and mortgage forgiveness.

► Other Massachusetts 5.0% income reported on U.S. Form 1040, Schedule 1, line 9 and not reported elsewhere in Form 1, lines 3 through 8 or Schedule X, lines 1 through 3 must be reported in line 4 of Schedule X.

Note: Do not include U.S. Shareholders IRC § 965(a) inclusion amounts that are included in the US Form 1040, Schedule 1, line 9 in line 4 of Schedule X. These amounts are included in Schedule B, see Schedule FCI for additional details and instructions.

► Pre-1996 installment sales classified as ordinary income for Massachusetts purposes (from Massachusetts Schedule D, line 10) are taxed as 5.0% income and must be reported on line 4 of Schedule X.

► Embezzled or other income from illegal activities is taxable and should be reported on Schedule X, line 4.

The following items should not be reported on your Massachusetts return:

► Any net operating loss reported as a negative amount on U.S. Form 1040, Schedule 1, line 9 cannot be entered on Schedule X. A net operating loss from a business or profession cannot be carried forward or backward to offset individual income in any other year under Massachusetts law.

For tax year 2022, taxpayers must report on Schedule X, line 6 any excess business loss (EBL) stated on U.S. Form 1040, Schedule 1, line 8p. Generally, EBL is the amount by which the total deductions attributable to a taxpayer's trades or businesses exceed the sum of (i) the taxpayer's total gross income and gains attributable to those trades or businesses and (ii) a threshold amount of \$270,000 for single filers and \$540,000 for joint returns. Differences between Massachusetts and

federal income and deductions (e.g., bonus depreciation) should be taken into account by adjusting the amount reported on Massachusetts Schedule X, line 6. Explain any difference between amounts reported on Massachusetts Schedule X, line 6, and on U.S. Schedule 1, line 8p, using Massachusetts Schedule TDS. Unlike on federal returns, you may not carry forward disallowed EBL because those losses are treated, for federal purposes, as net operating losses, which are not allowed as a Massachusetts deduction.

Schedule Y

Other Deductions

Be sure to enclose with Form 1.

Line 2. Penalty on Early Savings Withdrawal

If you were charged a penalty because of early withdrawal of savings, and interest on the savings that such a penalty relates to income reported in line 5a or line 20 of this return or on a prior-year Massachusetts return, you may deduct the penalty. This deduction is the same as the amount allowable on U.S. Form 1040, Schedule 1, line 18. Enter this amount in line 2 of Schedule Y.

Line 3. Deductible Alimony Paid

Enter in Schedule Y, line 3 the total deductible alimony paid to your former spouse as reported on U.S. Form 1040, Schedule 1, line 19a.

Line 11. College Tuition Deduction

A deduction is allowed for tuition payments paid by you, for yourself or a dependent, to a qualifying two- or four-year college leading to an undergraduate or associate's degree, diploma or certificate. **Tuition payments for students pursuing graduate degrees at such a college or university are not eligible for the college tuition deduction.** The deduction is equal to the amount by which the tuition payments, less any scholarships, grants or financial aid received, exceed 25% of Massachusetts AGI. The amount of the college tuition deduction is limited to qualified tuition expenses paid during a taxable year in connection with an academic term beginning during such taxable year or during the first three months of the next taxable year.

Qualified tuition expenses include only those expenses designated as tuition or mandatory fees required for the enrollment or attendance of the taxpayer or any dependent of the taxpayer at an eligible educational institution. No deduction is allowed for any amount paid for room and board, books, supplies, equipment, personal living expenses, meals, lodging, travel or research, athletic fees, insurance expenses or other expenses unrelated to an individual's academic course of instruction. Also, no deduction is allowed for reimbursements or refunds of qualified tuition and related expenses made by an insurer. Complete the Massachusetts AGI Worksheet and the Schedule Y, line 11 worksheet to see if you may qualify for this deduction. This deduction is only available to full year residents. See TIRs 97-13 and 16-15 for more information.

continue on next page ...

7. If line 4 is smaller than line 6, you are not eligible for this deduction. Enter 0. If line 4 is larger than line 6, subtract line 6 from line 4 and enter the result here and on Schedule Y, line 11.

Line 12. Undergraduate Student Loan Interest Deduction

A deduction is allowed for interest paid on a qualified undergraduate student loan. To be eligible for the deduction, the "education debt" must be a loan that is administered by the financial aid office of a two-year or four-year college at which you, or a qualified dependent, were enrolled as an undergraduate student. Additionally, the loan must have been secured through a state student loan program, a federal student loan program, or a commercial lender, and must have been spent solely for the purposes of paying tuition and other expenses directly related to the school enrollment. Enter the amount of such interest paid in Schedule Y, line 12. This deduction is only allowed if not claiming the same expenses in line 10 of Schedule Y, Student Loan Interest Deduction.

Line 13. Deductible Amount of Qualified Contributory Pension Income from Another State or Political Subdivision Included in Form 1, Line 4

Massachusetts allows a deduction for contributory pension income received from another state or one of its political subdivisions that does not tax such income from Massachusetts or its political subdivisions. For guidelines to determine which state's pensions are exempt in Massachusetts, see TIR 95-9. Enter any deductible amount of such income in line 13 of Schedule Y that was included in Form 1, line 4.

Line 14. Claim of Right Deduction

Taxpayers who have paid Massachusetts personal income taxes in a prior year on income attributed to them under a "claim of right" may deduct the amount of that income from their gross income if it later develops that they were not in fact entitled to the income, and have repaid the amounts in question. The deduction is allowed in the year of repayment, provided that the repayment is not otherwise deductible in determining Massachusetts income taxable under MGL ch 62. Some examples in which the claim of right may be applied for are:

► **Stock under claim of ownership.** Gains from sales of stock under a claim of ownership must

be included, regardless of whether the taxpayer actually owned it;

► **Employment contracts.** Amounts in settlement of employment contracts must be included notwithstanding the prospect of eventual repayment to the employer of an amount equivalent to or greater than the amount received;

► **Dividends.** Where a taxpayer receives a dividend that must be repaid in a later year (e.g., because it impaired corporate capital), the dividend must be included in the year of receipt;

► **Corporate notes.** Where a taxpayer receives a distribution with respect to holding of notes, the income must be included regardless of whether it could be challenged by senior creditors;

► **Mistake in validity of claim.** The claim of right doctrine applies where a taxpayer merely mistakes the validity of his claim;

► **Advanced insurance commissions;** or

► **Repayment of unemployment compensation and supplemental unemployment benefits in a subsequent year.**

If you are entitled to claim this deduction, enter the amount claimed in Schedule Y, line 14. For more information, see TIR 06-4.

Line 15. Commuter Deduction

A deduction is allowed for certain amounts paid by an individual for tolls paid for through an E-Z Pass account or for weekly or monthly transit commuter passes for MBTA transit, bus, commuter rail or commuter boat, not including amounts reimbursed or otherwise deductible.

In the case of a single person or a married person filing a separate return or as head of household, this deduction applies only to the portion of such expended amount that exceeds \$150, and the total amount deducted cannot exceed \$750. In the case of a married couple filing a joint return, this deduction applies only to the portion of such amount expended by each individual that exceeds \$150, and the total amount deducted cannot exceed \$750 for each individual. Also, one spouse cannot transfer his or her excess deduction to the other spouse; separate worksheets must be completed to calculate the deduction. See TIR 06-14 for additional information.

The deduction is allowed where an individual purchases an MBTA pass for a dependent who is claimed on that individual's tax return, provided the dependent does not also claim the deduction. However, the total amount deducted cannot exceed \$750 for each individual taxpayer who is filing a return. In the case of married taxpayers filing a joint return, the total amount deducted cannot exceed \$750 per taxpayer; thus, the maximum deduction for a joint return is \$1,500.

Complete the Schedule Y, Line 15 Worksheet to calculate the commuter deduction.

1. Enter amount paid in 2022 for tolls through an E-Z Pass account.

2. Enter amount paid in 2022 for weekly or monthly transit commuter passes for MBTA transit or commuter rail.

Otherwise, complete lines 4 through 6.

4. Enter \$150.

5. Subtract line 4 from line 3.

6. Enter the lesser of line 5 or \$750 here and on Schedule Y, line 15.

Line 16. Deduction for Expenses of Human Organ Transplant

An individual may deduct certain expenses and other costs incurred in the process of donating an organ for a human organ transplant to another individual. For purposes of this deduction, "human organ" shall mean all or part of human bone marrow, liver, pancreas, kidney, intestine or lung. In the case of an individual who donates an organ to another person for human organ transplantation, the individual may deduct the following expenses that are incurred by the individual and related to the individual's organ donation:

- Travel expenses;
- Lodging expenses; and
- Lost wages not to exceed \$10,000.

An individual who is a nonresident of Massachusetts for all or part of the taxable year is not eligible to claim this deduction. If you are entitled to claim this deduction, enter the amount claimed in Schedule Y, line 16. See TIR 11-6 for further information.

Line 17. Certain Gambling Losses

Massachusetts has adopted a new deduction from 5.0% income, allowing a deduction for losses from wagering transactions, that were incurred at a Massachusetts gaming establishment licensed in accordance with MGL ch 23K or a racing meeting licensee or simulcasting licensee, only to the extent of the gains from such transactions.

Under the provision a taxpayer may claim a deduction for gambling losses incurred in the calendar year only if the losses were incurred at any Massachusetts gaming establishment licensed in accordance with MGL ch 23K or a racing meeting licensee or simulcasting licensee and only if the taxpayer had wagering winnings from any such gaming establishment licensed in accordance with MGL ch 23K or a racing meeting licensee or simulcasting licensee in the same calendar year. The deduction allowed for such losses may not exceed the amount of such winnings included in gross income for the calendar year.

Because Massachusetts does not adopt the deductions under IRC § 165(d), the deduction for gambling losses set forth in MGL ch 62, § 3(B)(a) (18) is the only deduction for gambling losses allowed a Massachusetts taxpayer, unless the gambling activities of the taxpayer constitute a trade or business.

Example

For calendar year 2022, taxpayer, a Massachusetts resident, has:

- ▶ Gambling winnings of \$500 from Massachusetts state lottery;
- ▶ Gambling winnings of \$800 from a casino licensed under MGL ch 23K;
- ▶ Gambling winnings of \$1200 from a Las Vegas casino;
- ▶ Gambling losses of \$1600 from a Las Vegas casino;
- ▶ Gambling losses of \$510 from Massachusetts Lottery scratch tickets; and
- ▶ Gambling losses of \$1000 from a casino licensed under MGL ch 23K.

For Massachusetts income tax purposes, the taxpayer must include \$500 of their gambling winnings on Form 1, line 8b (Massachusetts state lottery) and the remaining \$2,000 of their gambling winnings on Schedule X, line 3. The taxpayer may claim a deduction for gambling losses from a casino licensed under ch 23K but only to the extent of winnings from a casino licensed under ch 23K. No deduction is available for the taxpayer's gambling losses from other sources. The taxpayer had winnings of \$800 and losses of \$1,000 from a casino licensed under ch 23K. Thus, the taxpayer may claim a deduction of \$800. The remaining \$200 of loss from the casino licensed under ch 23K may not be deducted.

If you are entitled to claim this deduction, enter the qualified amount in Schedule Y, line 17.

Line 18. Prepaid Tuition or College Savings Plan Deduction

A deduction is available for purchases of or contributions made to an account in a pre-paid tuition

program or a college savings program established by the Commonwealth. The deduction is capped at \$1,000 for a single person, married filing separate, or head of household and \$2,000 for a married couple filing a joint return. The deduction is subject to recapture in the taxable year or years in which distributions or refunds are made from the tuition or college savings account for any reason other than:

- ▶ To pay qualified higher education expenses, as defined by IRC § 529(e)(3); or
- ▶ The beneficiary's death, disability or receipt of a scholarship.

Enter the allowable amount on Schedule Y, Line 18. For more information, see TIR 16-15.

Schedule D

Note: If showing a loss, be sure to mark over the X in the box to the left. Also, be sure to enclose with Form 1.

Long-Term Capital Gains and Losses Excluding Collectibles

You must complete Massachusetts Schedule D if you had long-term gains or losses from the sale or exchange of capital assets or from similar transactions which are granted capital gain or loss treatment on your U.S. return, or if you had capital gain distributions. If you did not file U.S. Schedule D but are reporting capital gain distributions on U.S. Form 1040, line 7, you must complete Massachusetts Schedule D (see line 6 instructions). Include gains from all property, wherever located. Long-term capital gains are gains on the sale or exchange of capital assets that have been held for more than one year on the date of the sale or exchange. Long-term capital losses are losses on the sale or exchange of capital assets that have been held for more than one year on the date of the sale or exchange.

The law defines capital gain income as gain from the sale or exchange of a capital asset. The definition of capital asset includes:

- ▶ An asset which is a capital asset under IRC § 1221; or
- ▶ Property that is used in a trade or business within the meaning of IRC § 1231(b) without regard to the holding period as defined in said § 1231(b).

For a detailed explanation of the law, see DOR's Regulation on Capital Gains and Losses at 830 CMR 62.4.1.

Differences

Significant differences between the U.S. and Massachusetts capital gain provisions are:

- ▶ IRC § 1244 losses reported as ordinary losses on your U.S. return must be reported on Massachusetts Schedule D;
- ▶ If you made a federal election under § 311 of the Tax Relief Act of 1997 to recognize gain on the deemed sale of a capital asset held on January 1, 2001, Massachusetts does not follow the federal rules at § 311 for determining the basis of the asset. See TIR 02-3. If you sold a capital asset in 2022 for which you made a federal § 311 election, the Massachusetts initial basis will not be the federal basis. The Massachusetts initial basis will be determined as of the date the asset was first acquired;

- ▶ Upon the sale of stock of an S corporation, the federal basis must be modified according to 830 CMR 62.17A.1; and

- ▶ Massachusetts has adopted basis adjustment rules to take into account differences between Massachusetts and federal tax laws. For more information regarding basis adjustment rules, see TIR 88-7.

Net ordinary losses that are itemized deductions on U.S. Schedule A are not allowable.

Installment Sales

If a sale was treated as an installment sale for U.S. income tax purposes, it may be treated the same way on your Massachusetts income tax return. Gains from pre-1996 installment sales are classified as either capital gains or ordinary income under the Massachusetts law in effect on the date the sale or exchange took place.

Gains from pre-1996 installment sales that are classified as capital gains should be reported as 12% income on Massachusetts Schedule B. If the asset was held for more than one year when it was sold, the gain will be eligible for a 50% long-term deduction. Gains from pre-1996 installment sales that are classified as capital gains included on Massachusetts Schedule D, line 4 should be reported on Massachusetts Schedule D, line 12 (Long-term gains on collectibles and pre-1996 installment sales). The amount of such gain is then reported on Massachusetts Schedule B, Part 2, line 11.

Gains from pre-1996 installment sales classified as ordinary income and that are included on Massachusetts Schedule D, line 4 should be reported on Massachusetts Schedule D, line 10 (Differences). The amount of such gain classified as ordinary income should then be reported on Form 1, line 9 (Other income) and included on Schedule X, line 4 and identified as 2022 gain from pre-1996 installment sale.

Note: If you are reporting an installment sale occurring on or after January 1, 2003, report those gains on Schedule D. If you are reporting capital gains on installment sales that occurred during January 1, 1996 through December 31, 2002, do not file Schedule D. Instead, you must file Schedule D-IS, Installment Sales. Schedule D-IS can be obtained on DOR's website at mass.gov/dor.

Effective for sales on or after January 1, 2005, if you wish to report a sale on your Massachusetts return as an installment sale and the Massachusetts gain is \$1 million or greater, you must apply in writing to DOR's Installment Sales Unit. See TIR 04-28. The Commissioner of Revenue must approve your application to report the sale on the installment basis in Massachusetts before you

file your return, and appropriate security must be posted. An explanatory statement must be enclosed with each return for the life of the installment sale. For further information contact the Installment Sales Unit at (617) 887-6950.

Lower Capital Gains Tax Rate for Gains from the Sale of Stock in Certain Massachusetts-Based Start-Up Corporations

Gains derived from the sale of investments which meet certain requirements are taxed at a rate of 3% instead of 5.0%. In order to qualify for the 3% rate, investments must have been made within five years of the corporation's date of incorporation and must be in stock that generally satisfies the definition of qualified small business stock under IRC § 1202 (c), other than the requirement that the stock be stock of a C corporation. In addition, the stock must be held for three years or more and the investments must be in a corporation which:

- ▶ Is domiciled in Massachusetts;
- ▶ Is incorporated on or after January 1, 2011;
- ▶ Has less than \$50 million in assets at the time of investment; and
- ▶ Complies with applicable portions of the active business requirements of § 1202 of the IRC, i.e., §§ 1202 (e)(1), (e)(2), (e)(5), and (e)(6).

To be eligible as qualified small business stock under IRC § 1202(c), the stock must be acquired by the taxpayer at its original issue (directly or through an underwriter) in exchange for money, property, or as compensation for services provided to the corporation. During substantially all of the taxpayer's holding period, at least 80 percent of the value of the corporation's assets must be used in the active conduct of one or more qualified businesses.

Note: If you are reporting a sale of stock in a certain Massachusetts-based start-up corporation(s), do not file Schedule D. Instead, you must report that gain(s) on Schedule D-IS, Installment Sales or qualified small business stock gains. Schedule D-IS can be obtained on DOR's website at mass.gov/dor.

Profit or Loss from Business or Profession

Massachusetts Schedule C is provided to report income and deductions from each business or profession operated as a sole proprietorship.

If your business deductions, excluding the Abandoned Building Renovation Deduction, exceed Schedule C income and any other income taxable at the 5.0% rate, such excess deductions may be subtracted from the other income that is effectively connected with the active conduct of your trade or business and any other income allowed under IRC § 469(d)(1)(B) to offset losses from passive activities. To compute the excess trade or business deductions use Massachusetts Schedule C-2. This form is available by visiting mass.gov/dor, or you may have one mailed to you by calling (617) 887-6367.

Registration Information

In the space provided, describe the business or professional activity that provided your principal source of income reported on line 1. If you owned more than one business, you must complete a separate Schedule C for each business. Give the general field or activity and the type of product or service.

If you do not have an EIN, leave the line blank. Do not enter your Social Security number.

Accounting Method

If you filed a return on the accrual basis last year, your return for this year must be on the same basis. If a taxpayer requesting permission to change an accounting method for Massachusetts purposes is eligible for an automatic change of accounting method federally, and has correctly followed the most recently issued federal revenue procedure for requesting an automatic change, then the taxpayer should file his/her annual return using the new method and write at the top, "Automatic Change of Accounting Method — filed in compliance with DD 02-13." The taxpayer should enclose a copy of U.S. Form 3115, together with any required statements. See DD 02-13 for further information. Enter your statutory employee income from box 1 of Form W-2 on line 1a of Schedule C and fill in the oval. Statutory employees include full-time life insurance agents,

certain agent or commission drivers and traveling salespersons and certain homeworkers. If you had both self-employment income and statutory employee income, do not combine these amounts on a single Schedule C. In this case, you must file separate Schedule Cs.

If you have interest (other than from Massachusetts banks) and dividend income reported on U.S. Schedule C, lines 1 and/or 6, fill in the oval and enter that amount in the space provided and in Massachusetts Schedule B, line 3. Do not include such amounts on Massachusetts Schedule C, lines 1 and/or 4. If you are not required to file Schedule B (see Schedule B instructions), enter this income on Form 1, line 20. Examples of interest (other than from Massachusetts banks) and dividend income are interest received on loans, notes receivable or charge accounts that you accept in the ordinary course of business, and dividends on stocks received in payment for goods and services. Capital gains from the sale or exchange of assets used in your business are not reported on Schedule C. Use U.S. Form 4797 and report the amount in Form 1, Schedule B and/or Schedule D. You must also exclude from Schedule C any income and expenses that pertain to activities for yourself as distinguished from those performed for your customers. Such income must be reported by class of income in Schedules B and D. Personal expenses are not deductible.

Line 1a. Gross Receipts or Sales

In the boxes provided, enter gross receipts or sales from your business. Be sure to include on this line amounts you received in your trade or business as shown on Form 1099-MISC, Miscellaneous Income. If the nature of your business is such that you have gross or other income that is interest (other than from Massachusetts banks) and dividend income, exclude this income from lines 1 and 4 on Massachusetts Schedule C and include it in the space provided and in Schedule B, line 3.

Note: If not required to file Schedule B (see Schedule B instructions), enter this income on Form 1, line 20. Examples of interest (other than from Massachusetts banks) and dividend income are interest received on loans, notes receivable or charge accounts that you accept in the ordinary course of business, and dividends on stocks received in payment for goods and services. Capital gains from the sale or exchange of assets used in your business are not reported on Schedule C. Use U.S. Form 4797 and report the amount in Form 1, Schedule B and/or Schedule D. You must also exclude from Schedule C any income and

expenses that pertain to activities for yourself as distinguished from those performed for your customers. Such income must be reported by class of income in Schedules B and D. Personal expenses are not deductible.

Line 4. Other Income

Line 7. Bad Debts From Sales or Services

Include debts and partial debts from sales or services that were included in income and are definitely known to be worthless. If you later collect a debt that you deducted as a bad debt, include it as income in the year collected.

Note: Cash method taxpayers cannot take a bad debt deduction unless the amount was previously included in income.

Line 9. Commissions, Fees and Contract Labor

Line 9a. Commissions and Fees

Enter the total commissions and fees for the tax year. Do not include commissions or fees that are capitalized or deducted elsewhere on your return.

Line 9b. Contract Labor

Enter the total cost of contract labor for the tax year. Contract labor includes payments to persons you do not treat as employees (for example, independent contractors) for services performed for your trade or business. Do not include contract labor deducted elsewhere on your return, such as contract labor included on line 15, 19, 25, or Schedule C-1, line 3. Also, do not include salaries and wages paid to your employees; instead, see Line 25, later.

Line 11. Depreciation and § 179 Deduction

Massachusetts adopts the current federal rules at § 179 for expensing certain depreciable business assets. For property placed in service in tax years beginning after December 31, 2013 and before January 1, 2015, the maximum § 179 expensing allowance is \$1,000,000.

Line 17. Pension and Profit-Sharing Plans

Enter your deduction for contributions to a pension, profit-sharing or annuity plan, or plans for the benefit of your employees. If the plan includes you as a self-employed person, do not include contributions made as an employer on your behalf. See DD 08-3 for more information.

Line 22. Travel

Enter your expenses for lodging and transportation connected with overnight travel for business

while away from your tax home. Generally, your tax home is your main place of business regardless of where you maintain your family home. You cannot deduct expenses paid or incurred in connection with employment away from home if that period of employment exceeds one year. Spouse's and other family members' travel expenses are generally disallowed as a business deduction.

Do not include expenses for meals and entertainment on this line.

Line 23. Deductible Meals

Your deductible business meal expenses are a percentage of your actual business meal expenses. Include meals while traveling away from home for business. Instead of the actual cost of your meals while traveling away from home, you may use the standard meal allowance. Business meal expenses are deductible only if they are:

- ▶ Directly related to or associated with the conduct of your trade or business;
- ▶ Not lavish or extravagant; and
- ▶ Incurred while you or your employee is present at the meal.

Generally, you may deduct only 50% of your business meal expenses, including meals incurred while traveling away from home on business.

Business meals are 100% deductible if:

- ▶ The meals are food or beverages provided by a restaurant and paid or incurred after December 31, 2020, and before January 1, 2023;
- ▶ The meals and incidentals are furnished or reimbursed to an employee if you properly treat the expense as wages subject to withholding; and
- ▶ The meals and incidentals are provided to a nonemployee to the extent the expenses are includible in the gross income of that person and reported on Form 1099-NEC.

For individuals subject to the Department of Transportation (DOT) hours of service limits, the percentage is 80% of business meals consumed during, or incident to, any period of duty for which those limits are in effect.

Daycare providers can deduct 100% of the actual cost of food consumed by daycare recipients.

Providers who qualify as family daycare providers may use the standard meal and snack rates to compute their deductible meals and snacks.

Figure how much of your business meal expenses are subject to limitations, add that amount to your fully deductible meals amount and enter the result in line 23 of Massachusetts Schedule C.

Line 26. Other Expenses**New – Ordinary and Necessary Business Expense Deductions Available for Licensed Massachusetts Marijuana Businesses**

IRC § 280E prohibits marijuana businesses from deducting expenses and claiming tax credits for federal tax purposes. Effective for taxable years beginning on or after January 1, 2022, Massachusetts decoupled from the IRC § 280E deduction disallowance with respect to licensed marijuana businesses only. As a result, for Massachusetts tax purposes, a licensed Massachusetts marijuana business can deduct ordinary and necessary business expenses that would otherwise be disallowed under IRC § 280E.

These ordinary and necessary trade or business expenses should be reported on Schedule C, Line 26 "Other expenses."

Line 30. Abandoned Building Renovation Deduction

Massachusetts allows businesses to deduct 10% of the costs incurred in renovating certain buildings located in an Economic Opportunity Area (EOA). The buildings must be designated as abandoned by the Economic Assistance Coordinating Council. The renovation deduction may be taken in addition to any other deduction for which the renovation costs may qualify. For more information, contact the Massachusetts Office of Business Development by calling (617) 973-8600.

In line 30 enter 10% of the costs of renovating a qualifying abandoned building.

Line 31. Profit or Loss

For the passive-activity loss rules, see instructions for U.S. Form 8582.) The amount on line 32 will be your deductible loss; note that it might be smaller than the line 31 loss.

Line 33. If You Have a Loss

Fill in the oval in line 33a if all of your investment is at risk. Enter your loss from line 31 on line 32. If you did not fill in the oval to this question, complete a pro forma copy of U.S. Form 8582 that reflects only income being reported on your Massachusetts return. Enter in Massachusetts Schedule C, line 32 your allowable loss calculated on Form 8582.

Fill in the oval in line 33b if only some of your investment is at risk. To determine the amount of your allowable loss, complete a pro forma copy of U.S. Form 6198 that reflects only income being reported on your Massachusetts return. Enter the amount calculated on U.S. Form 6198 in line 32 unless you did not fill in oval to this question on material participation on the front of Schedule C. In this case, your loss is further limited. Use the amounts calculated on your pro forma U.S. Form 6198 to complete a pro forma U.S. Form 8582. If your at-risk amount is 0 or less, enter 0 in line 32.

Line 34. Profit

Enter the profit from line 31.

Line 35. Total Profit or Loss.

If your gross income is more than your expenses and you have prior-year unallowed passive-activity losses, calculate the amount of Massachusetts prior-year unallowed passive-activity losses claimable for this activity. Use a pro forma version of U.S. Form 8582 to calculate the amount of eligible Massachusetts prior-year unallowed passive-activity losses. If you are claiming prior-year passive-activity losses, enter the amount of those allowable prior-year suspended PAL you are applying in line 36.

Line 37. Net Profit or Loss.

Combine lines 35 and 36, then include on Form 1, line 6a.

Schedule CB

What Is It?

Senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes they paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is \$1,200 for the tax year beginning January 1, 2022. See TIR 22-12 for more information.

Eligible taxpayers who own their property may claim a credit equal to the amount by which their property tax payments in tax year 2022 (excluding any exemptions and/or abateements), including water and sewer debt charges, exceed 10% of their total income for the same current tax year. Taxpayers residing in communities that do not include water and sewer debt service in their property tax assessments may claim, in addition to their property tax payments, 50% of the water and sewer use charges actually paid during the tax year when figuring their credit.

Renters may claim a credit in the amount by which 25% of their annual rental payment is more than 10% of their total income.

For purposes of the tax credit, a taxpayer's total income includes taxable income as well as exempt income such as Social Security, Treasury bills and public pensions. For a complete list of what constitutes total income, see TIR 01-19.

Who Is Eligible for the Credit?

To be eligible for the credit for the 2022 tax year, a taxpayer must be 65 years of age or older before January 1, 2023, (for joint filers, it is sufficient if one taxpayer is 65 years of age or older), must own or rent residential property in Massachusetts and occupy the property as his or her principal residence, and must not be the dependent of another taxpayer. The taxpayer's total income cannot exceed \$64,000 for a single filer who is not the head of a household, \$80,000 for a head of household, or \$96,000 for taxpayers filing jointly. No credit is allowed for a married taxpayer unless a joint return is filed. Moreover, the assessed valuation of the real estate cannot exceed \$912,000.

No credit is allowed if the taxpayer claims the status of married filing separate, receives a federal or state rent subsidy, rents from a tax-exempt entity, or is the dependent of another taxpayer.

Note: Make sure the over age 65 oval(s) is filled in on Form 1, line 2c.

Is the Tax Credit Considered Income?

Tax credits received by eligible taxpayers are not considered income for the purpose of obtaining eligibility or benefits under other means-tested assistance programs including food, medical, housing, energy and educational assistance programs.

How Does a Taxpayer Claim the Credit?

Taxpayers who are eligible for the tax credit in the 2022 tax year can claim the credit by submitting a completed Schedule CB, Circuit Breaker Credit, with their 2022 state income tax return. Eligible taxpayers who do not normally file a state income tax return may obtain a refund by filing a return with Schedule CB. As with all claimed tax credits and deductions, the taxpayer must keep all pertinent records, receipts and other documentation supporting his or her claim for the credit.

Line 1. Living Quarters Status During 2022

Be sure to fill in the appropriate oval. If you were a renter in 2022 and you received any federal and/or state subsidy, or you rent from a tax-exempt entity, you do not qualify for the Circuit Breaker Credit.

Homeowners must fill in the appropriate oval to indicate if they owned a multi-use or multi-family property. A taxpayer who owns a principal residence with a land area in excess of one acre or a multi-use building or land area, for example, a storefront with an apartment above, may only claim the taxpayer's proportional share of the real estate tax payments (Schedule CB, line 10), including water and sewer use charges (Schedule CB, line 13), which corresponds to the portion of the residence used and occupied as principal residence. A taxpayer who owns a multiple family dwelling (a multi-family residence that includes the taxpayer's personal residence), may only claim the taxpayer's proportional share of the taxes (Schedule CB, line 10) or sewer and water use charges (Schedule CB, line 13) paid. For example, where a condominium association pays one sewer and water bill for multiple owners, each owner may only claim the proportional share of the use charges attributable to the taxpayer's condominium (for example, the condominium owner's percentage interest in the undivided interest of common areas and facilities).

Line 2. Assessed Value of Principal Residence as of January 1, 2022

Enter the amount of the assessed value of your principal residence as of January 1, 2022. If you own a multi-family home, mixed-use property, or more than one acre of land, only the assessed value of your principal residence, together with the land that immediately surrounds and is associated with that residence, not to exceed one acre, should be used. If the assessed value is over \$912,000, you do not qualify for the credit. Contact your local city or town's assessors' office if you have any questions in determining the amount of the assessed value of your principal residence as of January 1, 2022.

Income Calculation

Qualifying income for the Circuit Breaker Credit (Schedule CB, lines 3 through 9) is the taxpayer's Massachusetts AGI as defined in MGL ch 62, § 2 increased by various amounts that may have been excluded or subtracted when originally calculating the taxpayer's Massachusetts AGI, less certain exemptions claimed by the taxpayer. Amounts added back to Massachusetts AGI in computing qualifying income include income from Social Security, retirement, pension or annuities, cash public assistance, tax-exempt inter-

est and dividends, net capital losses, long-term capital losses, certain capital gains, income from a partnership or trust not otherwise included in the taxpayer's Massachusetts AGI, and gross receipts (for example, the return of capital or gifts) from any other source except the tax credit itself. The exemptions allowed which decrease the total income amount are those allowed for blindness, dependents and taxpayers who are at least age 65 by the end of the tax year.

Line 4. Total Social Security Benefits

Enter in line 4 the amount of Social Security benefits received in 2022. Social Security benefits include retirement, disability, dependent, survivorship and insurance. Medicare premiums withheld from Social Security payments should not be excluded.

Line 5. Pension, Annuities, IRA/Keogh Distributions Not Taxed on Your Massachusetts Tax Return

Enter in line 5 the amount of pension, annuities, IRA/Keogh distributions not taxed on your Massachusetts Form 1. See Form 1, line 4 instructions, Pension and Annuities, for a list of exempt items that must be included in Schedule CB, line 5 as part of total income for the purposes of calculating the Circuit Breaker Credit.

Line 6. Miscellaneous Income Including Cash Public Assistance

Enter the amount of miscellaneous income, including cash public assistance, received during 2022. This includes but is not limited to food stamps and welfare payments, disability income, gifts, sick pay, worker's compensation and return of capital.

Credit Calculation

If you filled in the Homeowner oval in line 1, complete lines 10 through 17, if you filled in the Renter oval in line 1, go to line 18.

Line 10. Real Estate Taxes Paid in Calendar Year 2022 for Your Principal Residence

Enter the amount of real estate taxes paid in calendar year 2022. Be sure to include real estate tax payments made pursuant to the Community Preservation Act, the Cape Cod Open Space Land Acquisition Program and/or paid to a tax-levying district.

If you own a multi-family home, mixed-use property, or your principal residence has a land area in excess of one acre, see TIR 01-19 for information on how to prorate real estate taxes paid.

Note: Real estate taxes paid in a calendar or taxable year generally reflect taxes assessed for two

different fiscal years. If a community collects taxes quarterly, a taxpayer may have made four payments during a calendar year. These payments are billed as due on the following dates: February 1, May 1, August 1, and November 1. If a community collects taxes semi-annually, a taxpayer may have made two payments during the calendar year. The first payment is billed as due on May 1 and the second as due on November 1, or 30 days after it is mailed, if the bill is mailed after October 1. If you own a multi-family home, mixed-use property, or your principal residence has a land area in excess of one acre, contact your local city or town's collector's office if you have any questions in determining the amount of real estate taxes paid in calendar year 2022 for your principal residence.

Line 11. Adjustments to Real Estate Taxes Paid

Enter the amount from line 4 of the Adjustments to Real Estate Taxes Paid Worksheet for Schedule CB, line 11, on page 2 of Schedule CB. Adjustments to real estate taxes paid include:

- ▶ Abatements granted by local assessors or earned through the Senior Work Program (do not exclude this amount if it was already reflected on your tax bill and you did not pay it);
- ▶ Exemptions granted by cities or towns to qualifying veterans, surviving spouses, blind persons and the elderly (do not exclude this amount if it was already reflected on your tax bill and you did not pay it);
- ▶ Interest charges assessed due to delinquent payments; and
- ▶ Betterments or special assessments levied upon the property.

Line 13. Water and Sewer Use Charges Paid in 2022

Contact your town official to determine if your community has elected to include water and sewer debt charges in the property tax assessment. Taxpayers residing in communities that do not include water and sewer debt charges in the property tax assessments may include 50% of the actual water and sewer use charges paid during the taxable year. If they have elected to include those charges in the property tax assessment, enter 0 in line 13. If they have not elected to include those charges, enter 50% of your actual water and sewer use charges paid in 2022 in line 13.

If you own a multi-family home, mixed-use property, or your principal residence has a land area in excess of one acre, see TIR 01-19 for information on how to prorate water and sewer use charges.

Line 18. Rent Paid for Your Principal Residence in 2022

Enter in line 18a the total amount of rent paid for your principal Massachusetts residence in 2022. Divide that amount by 4 (25%) and enter the result in line 18. In the space provided, be sure to enter your landlord's name and address. If you received any federal and/or state rent subsidy, or you rent from a tax-exempt entity, you do not qualify for the Circuit Breaker Credit.

Schedule CMS

Be sure to enclose with Form 1.

Credit Manager Schedule

You must complete Schedule CMS to claim most credits available for use in the current taxable year (the Child under age 13, Dependent member(s) of household under 12, Earned Income, Limited Income and Circuit Breaker Tax credits are claimed directly on the tax return). Credits may be used to offset a tax due, may be passed or shared with another person or entity, or, in some cases credits may be fully or partially refundable.

For each credit claimed on a Schedule CMS, report the amount of the credit available for use and the amount of credit claimed to reduce tax for the current taxable year. For pass-through entities, report the amount of credit distributed to partners/shareholders/beneficiaries in the credit shared column. Taxpayers also report the amount of a refundable credit they are using to request a refund of tax. See the Credit Manager Schedule Instructions for more information on how to complete the Schedule CMS and claim the credits.

Credits reported on the Schedule CMS are generally identified either by a certificate number assigned by the issuing agency (which may be the Department of Revenue) or by the tax period end date in which the credit originated. If a credit has been assigned a certificate number, the certificate number must be included on the Schedule CMS. A taxpayer that does not include an assigned certificate number on the Schedule CMS will not be allowed the credit on the tax return and will have their tax liability adjusted by the Department of Revenue. Be sure to omit hyphens, spaces, decimals and other special symbols when entering the certificate number. Also, enter the number from left to right.

Likewise, a taxpayer that is required to complete a separate schedule to claim a credit must include the separate schedule with the taxpayer's return filing. Failure to do so may result in the credit being disallowed.

If, by operation of MGL ch 63, § 32C or another provision of law, a credit normally identified by tax period end date is eligible for indefinite carryover, the credit should be reported as "non-expiring" and identification of the tax period of origin is not necessary.

Overview of Schedule CMS

The following is a brief overview of the Schedule CMS sections and where certain credits should be reported. If a taxpayer is using a credit to reduce a taxpayer's current year tax liability, whether it is a non-refundable credit or a refundable credit, the credit should be reported in Section 1 or 3 of the Schedule CMS. Only a refundable credit that the taxpayer is seeking a refund for should be reported in either Section 2 or 4 of the Schedule

CMS. Generally, a credit should only be reported in one section on the Schedule CMS unless a portion of it is being used to offset a tax and a portion is being refunded.

Section 1. Non-Refundable Credits

Section 1 is for reporting credits the taxpayer is using (i) to offset or reduce the taxpayer's total tax due (ii) to pass to any partner, shareholder or beneficiary of the taxpayer or (iii) to share with taxpayer affiliates. The Brownfields Credit, Film Incentive Credit, or Medical Device Credit should always be included in Section 1, unless the taxpayer is requesting a refund of the Film Incentive Credit. However, a taxpayer that received a credit on a Massachusetts K-1 schedule from a pass-through entity or a credit transfer should report such credit in Section 3 or 4, as applicable.

Section 2. Refundable Credits

Section 2 is for reporting refundable credits the taxpayer is using to request a refund. The Film Incentive Credit should always be included in Section 2 to the extent that the taxpayer is requesting a refund. However, a taxpayer that received a refundable credit on a Massachusetts K-1 from a pass-through entity or a credit transfer should report such credit in Section 4, to the extent that the taxpayer is requesting a refund. For each refundable credit, report the amount of the credit available after taking into consideration any amount of the credits that may have been taken to offset a tax or shared as reported in Section 1 of this schedule. Enter the amount by which the available credit balance is being reduced and the amount to be treated as a refundable credit, which may be either 90% or 100% of the reduction. See TIR 13-6, Example 3, for an illustration.

Schedule CMS, Example 1

2a. Credit type	2b. Period end date (mm/dd/yyyy)	2c. Certificate number	2d. Credit available or certificate balance	2e. Reduction in balance for refund	2f. Refundable credit taken (100% or 90%)
FLMCRD		0000000011	\$10,000	\$10,000	\$9,000
CNSLND		1110000000	\$1,000	\$1,000	\$1,000

The total of the amounts shown in column f are shown on the appropriate line of the taxpayer's return.

Schedule CMS, Example 2

1a. Credit type	1b. Fill in if non-expiring	1c. Period end date (mm/dd/yyyy)	1d. Certificate number	1e. Credit available or certificate balance	1f. Credit taken this year	1g. Credit shared this year
SEPTIC	<input type="radio"/>	12/31/2022		\$6,000	\$1,500	
LEAD PAINT	<input type="radio"/>	12/31/2022		\$1,000	\$1,000	

The Credit Manager Schedule will now also be used by individual taxpayers for certain credits. In Example 2, the taxpayer is an individual filing a return for the taxable year ending December 31, 2022 and has an available Septic Credit of \$6,000 in the current year. Since this is the first year the taxpayer is claiming the Septic Credit, the individual taxpayer must also enclose a Schedule SC. The individual should file Part 1 of the Schedule CMS to reflect a claimed credit of \$1,500 (Schedule SC, line 13).

Section 3. Non-Refundable Credits Received from Massachusetts K-1 Schedules

Section 3 is for reporting credits the taxpayer received on a Massachusetts K-1 schedule (SK-1, 2K-1 or 3K-1) that the taxpayer is using (i) to offset or reduce the taxpayer's total tax due (ii) to pass to any partner, shareholder or beneficiary of the taxpayer or (iii) to share with taxpayer affiliates. The Brownfields Credit, Film Incentive Credit, or Medical Device Credit should never be included in Section 3.

Note: You do not report the Brownfields Credit, Film Incentive Credit, and Medical Device Credit in this section because these credits are issued new certificate numbers from the Department of Revenue when they are received from a pass-through entity or a credit transfer. These credits should always be reported in Section 1, unless the taxpayer is requesting a refund of the Film Incentive Credit.

Section 4. Refundable Credits Received from Massachusetts K-1 Schedules

Section 4 is for reporting credits the taxpayer received on a Massachusetts K-1 schedule (SK-1, 2K-1 or 3K-1) and that the taxpayer is using to request a refund. The Film Incentive Credit should never be included in Section 4. For each refundable credit, report the amount of the credit available after taking into consideration any amount of the credits that may have been used to offset a tax or shared as reported in Section 3 of this schedule. Enter the amount by which the available credit balance is being reduced and the amount to be treated as a refundable credit, which may be either 90% or 100% of the reduction. See TIR 13-6, Example 3, for an illustration.

Note: You do not report the refundable Film Incentive Credit in this section because these credits are issued new certificate numbers from the Department of Revenue when they are received from a pass-through entity or a credit transfer. If the taxpayer is requesting a refund of the Film Incentive Credit, it should be reported in Section 2.

Brief Summary of Available Credits on Schedule CMS

The following are brief summaries describing the specific credits that may be available to a taxpayer subject to tax under MGL ch 62 and that must be claimed on a Schedule CMS.

Angel Investor Credit

Taxpayers subject to tax under MGL ch 62 may be eligible for an Angel Investor Credit (AIC) equal to 20% of the amount of qualifying investments in a qualifying business, and 30% of the amount of qualifying investments made by a taxpayer investor in a qualifying business located in a "Gateway municipality," as defined in MGL ch 23A, § 3A. The taxpayer must be an accredited investor, as defined in 15 USC § 77b(15)(ii), who is not the principal owner of the qualifying business and who is not involved in the qualifying business as a full-time professional activity. For purposes of the AIC, a taxpayer may make qualifying investments of up to \$125,000 per qualifying business per year up to a maximum of \$250,000. A taxpayer cannot claim more than \$50,000 of the AIC for a single calendar year. The credit may be taken in either the tax year of the initial investment or may be carried forward to any of the 3 subsequent taxable years, as long as the qualifying business maintains its principal place of business in Massachusetts. If the qualifying business does not maintain its principal place of business in Massachusetts

for this 3 year period, the taxpayer investor must repay the total amount of AIC claimed. The AIC is neither transferable nor refundable. The Massachusetts Life Sciences Center is responsible for determining eligibility for the AIC and the actual amount awarded to a taxpayer. For further information, see the Department of Revenue's "Angel Investor Tax Credit" regulation; 830 CMR 62.6.5 and TIR 16-15.

To claim the AIC, enter the amount of the AIC using credit code AGLCRD on the Schedule CMS.

Apprenticeship Tax Credit

Businesses subject to tax under MGL ch 62 that employ qualified apprentices may be eligible for an Apprenticeship Tax Credit (ATC). The credit is equal to the lesser of \$4,800 or 50% of the wages paid by the business to each qualified apprentice it hires. Businesses are eligible for up to \$100,000 in credits each calendar year. To claim the credit, the primary place of employment of the apprentice must be in Massachusetts, the business employing the apprentice must register with the Division of Apprentice Standards as an apprenticeship program sponsor and enter into apprenticeship agreements with each apprentice for whom the credit is claimed, and the apprentice must be employed for at least 180 calendar days in the taxable year in which the credit is claimed. A business claiming the credit in a taxable year may also be eligible for a credit in the subsequent taxable year, provided that the Division of Apprentice Standards again certifies that the apprentice remains employed as an apprentice during the subsequent taxable year.

The ATC is not transferable but is refundable. The ATC is available for tax years beginning on or after January 1, 2019. See TIR 18-13 for further information.

To claim the ATC, enter the ATC certificate number and the amount of the ATC using credit code APPCRD on the Schedule CMS.

Brownfields Tax Credit

Taxpayers subject to tax under MGL ch 62 and nonprofit organizations may be eligible to claim a Brownfields Tax Credit (BTC) for amounts expended to clean up contaminated property in Massachusetts in an amount equal to either 25% or 50% of the cost. The cleanup must begin on or before August 5, 2023, and costs must be incurred before January 1, 2024, and equal or exceed 15% of the assessed value of the property before the beginning of the cleanup. Contaminated properties must be owned or leased for business purposes, reported to the Department of Environmental Protection (DEP), cleaned up in compliance with DEP's standards, and located in an economically distressed area identified by DEP. Unused portions of the BTC may be carried

forward for the next 5 years. If a credit recipient does not maintain the property in compliance with standards set out by DEP, the credit may be recaptured. The BTC is not refundable.

The BTC may be transferred, sold or assigned to another taxpayer with a liability under MGL ch 62 or 63, or to a nonprofit organization. A taxpayer must complete a Form BCA, Brownfields Credit Application, and submit it to the Department of Revenue. If approved, the Department of Revenue will issue a certificate reflecting the amount of the BTC. The party receiving the BTC must include the certificate number with each tax return in which the credits are being applied. BTC application forms and additional information are available at mass.gov/dor.

To claim the BTC, enter the BTC certificate number and the amount of the BTC using credit code BRWFLD on the Schedule CMS.

Certified Housing Development Tax Credit

Taxpayers subject to tax under MGL ch 62 that invest in housing development projects in Massachusetts may be eligible to claim the Certified Housing Development Credit (CHDC) in an amount up to 25% of the costs of qualified project expenditures as defined in MGL ch 40V, § 1. Eligibility and the amount of CHDC awarded are determined and administered by the Department of Housing and Community Development (DHCD). The CHDC is not refundable, but unused amounts may be transferred or carried forward for 10 years. See TIRs 16-15, 10-15 and 10-14 for further information.

To claim the CHDC, enter the CHDC certificate number and the amount of the CHDC using credit code CRTHOU on the Schedule CMS.

Community Investment Tax Credit

Taxpayers subject to tax under MGL ch 62 may be able to claim a Community Investment Tax Credit (CITC) for cash contributions made to a community partner to support the implementation of its community investment plan, or to a community partnership fund. The CITC is equal to 50% of the total contribution made by the taxpayer and cannot be claimed for contributions of less than \$1,000. The Department of Housing and Community Development (DHCD) is responsible for determining which contributions qualify for the CITC and the actual amount of the CITC awarded. The CITC is not transferable. However, the CITC is refundable, or, alternatively, may be carried forward for 5 years. See DHCD's "Community Investment Grant and Tax Credit Program" regulation, 760 CMR 68.00, the Department of Revenue's "Community Investment Tax Credit" regulation, 830 CMR 62.6M.1, and TIRs 16-15 and 13-15 for further information.

To claim the CITC, enter the CITC certificate number and the amount of the CITC using credit code CMMINV on the Schedule CMS.

Conservation Land Tax Credit

Taxpayers subject to tax under MGL ch 62 that make qualified donations of certified land to a public or private conservation agency in Massachusetts may be eligible for a Conservation Land Tax Credit (CLTC). The Executive Office of Energy and Environmental Affairs (EEA) ultimately determines which donations qualify for the CLTC and the actual amount of the CLTC attributable to the donation. The CLTC is equal to 50% of the fair market value of the donated certified land, but may not exceed \$75,000. The credit is refundable, but is not transferable. Taxpayers who claim the CLTC may not claim any other credit or deduction in the same tax year for the costs related to the same donated, certified land.

For more information, please see the EEA's "Conservation Land Tax Credit" regulation, 301 CMR 14.00, which sets forth the EEA's criteria for authorizing and certifying the credit. See also the Department of Revenue's "Conservation Land Tax Credit" regulation, 830 CMR 62.6.4, which explains the calculation of the allowable CLTC.

To claim the CLTC, enter the CLTC certificate number and the amount of the CLTC using credit code CNSLND on Schedule CMS.

Cranberry Bog Renovation Tax Credit

Taxpayers subject to tax under MGL ch 62 that are primarily engaged in cranberry production may be eligible for a Cranberry Bog Renovation Tax Credit (CBRTC). The CBRTC is equal to 25% of the taxpayer's total qualified renovation expenditures directly incurred in the taxable year for the qualified renovation of a cranberry bog for the cultivation, harvesting or production of cranberries, but the amount of the credit may not exceed \$100,000. Expenditures incurred in the construction of facilities or structures for the processing of cranberries are ineligible for the CBRTC. To claim the CBRTC, a taxpayer must file a summary of its qualified renovation expenditures with respect to a qualified renovation with the Executive Office of Energy and Environmental Affairs, which determines the amount of the credit for which the taxpayer is eligible. The CBRTC is refundable, but is not transferable. However, in lieu of claiming the CBRTC as a refundable tax credit, the taxpayer may carry-over unused CBRTC for the next 5 years.

To claim the CBRTC, enter the CBRTC certificate number and the amount of the CBRTC using credit code CRBCRD on Schedule CMS.

Dairy Farm Tax Credit

Massachusetts dairy farmers taxable under MGL ch 62 may be eligible for a Dairy Farm Tax Credit (DFTC) based on the amount of milk produced

and sold during the taxable year when the cost of milk drops below a price based on federal standards. The dairy farm must have a certificate of registration as a Massachusetts dairy farmer from the Massachusetts Department of Agricultural Resources (MDAR). The total amount of DFTC granted through the program cannot exceed \$6,000,000 in any year. The DFTC is refundable, but is not transferable.

To claim the DFTC, enter the MDAR-issued certificate number and the amount of the DFTC from the MDAR's Dairy Farmer Certified Tax Credit Statement using credit code DAIFRM on Schedule CMS.

Economic Opportunity Area/ Economic Development Incentive Program Credits

Economic Opportunity Area Credit

Taxpayers subject to tax under MGL ch 62 that participated in projects certified by the Economic Assistance Coordinating Council (EACC) before January 1, 2010, may be eligible to claim an Economic Opportunity Area Credit (EOAC) equal to 5% of the cost of qualifying property purchased for business use within a certified project within an Economic Opportunity Area (EOA). To qualify for the EOAC, the property must be used exclusively by the certified project in an EOA and must meet the same tests imposed for the 3% Investment Tax Credit (ITC). A certified project is a project approved by the EACC. The 5% EOAC cannot offset more than 50% of the tax due. Any unused EOAC may be carried forward for 10 years. The EOAC may be subject to recapture if a taxpayer's business is decertified by the EACC, or a taxpayer stops using the qualifying property in a certified project before the end of the property's useful life. The EOAC is neither refundable nor transferable. The EOAC is not available to certified projects that were certified by the EACC on or after January 1, 2010. See TIRs 16-15 and 10-01 for further information.

To claim the EOAC, complete Schedule EOAC and enter the amount of the credit using credit code EOACCR on the Schedule CMS. Include both the completed Schedule EOAC and Schedule CMS with the return.

Economic Development Incentive Program Credit

For projects certified by the EACC on or after January 1, 2010, the Economic Development Incentive Program Credit (EDIPC) is available to taxpayers subject to tax under MGL ch 62 with respect to certified projects as defined under MGL ch 23A. The EDIPC is equal to a percentage of the cost of qualifying property purchased by a certified project for business use within Massachusetts. As part of the project certification, the EACC may

(but is not required to) award a credit under the program and determine the percentage of the cost of the property to be used to determine the credit. In addition the EACC may award an EDIPC that is refundable. To qualify for the EDIPC, the qualifying property must be used exclusively in the certified project in Massachusetts and must meet the same tests imposed for the 3% ITC.

Unless the EDIPC awarded is refundable, the credit may not offset more than 50% of the tax due. Carryover of unused credit is available only to the extent authorized by the EACC. The EACC may, in consultation with the Department of Revenue, limit (but not expand) the EDIPC to a specific dollar amount or time duration or in any other manner deemed appropriate by the EACC. St. 2009, c. 166, § 18. For example, the EACC may limit the EDIPC available with respect to a particular project to a specific dollar maximum, even if the actual dollar amount of the qualifying purchases would otherwise generate a higher credit amount. Similarly, the EACC may limit the otherwise applicable credit carry forward period provided by MGL ch 62, § 6(g). The EDIPC may be subject to recapture if a taxpayer's business is decertified by the EACC, or a taxpayer stops using the qualifying property in a certified project before the end of the property's useful life. The EDIPC is not transferable. See TIRs 16-15, 14-13, 10-15, and 10-1 for further information.

To claim the EDIPC, complete Schedule EDIP and enter the amount of the EDIPC using credit code EDIPCR on Schedule CMS. Also, enter the EACC-issued certificate number on Schedule CMS. Include both the completed Schedule EDIP and Schedule CMS with the return.

EDIP Credit for Projects Certified on or after January 1, 2017

The EDIPC provisions were significantly changed for projects certified on or after January 1, 2017. For projects certified by the EACC on or after January 1, 2017, the EDIPC allowed to taxpayers subject to tax under MGL ch 62 is determined by the EACC based on numerous factors set forth in MGL ch 23A § 3D. The EACC may award a refundable EDIPC to any certified project. Carryover of unused EDIPC is available only to the extent authorized by the EACC. Recapture is required only if the EACC revokes the certification of a project. The EDIPC is not transferable. See TIRs 16-15 and 10-01 for further information.

To claim the EDIPC, complete Schedule EDIP and enter the amount of the EDIPC using credit code EDIPCR on Schedule CMS. Also, enter the EACC-issued certificate number on Schedule CMS. Include both the completed Schedule EDIP and Schedule CMS with the return.

EDIP Credit for Vacant Storefronts

Effective January 1, 2019, awards of EDIPC are also available as a Vacant Storefront Credit (VSC) to taxpayers subject to tax under MGL ch 62 that occupy vacant storefronts in downtown areas that have been designated as Certified Vacant Storefront Districts. To claim the VSC a taxpayer must apply for and obtain certification from the EACC and must commit to occupy the vacant storefront for not less than 1 year. The taxpayer does not need to invest in improvements or create new jobs to claim the VSC. The EACC awards the VSC on a competitive basis, taking into account the factors set forth in MGL ch 23A § 3C. The amount of VSC available to taxpayers occupying vacant storefronts is limited to \$500,000 in a calendar year.

The VSC is not transferable but is refundable. For additional information about the credit, contact the Massachusetts Office of Business Development at 617-973-8600.

To claim the VSC, enter the amount of the VSC using credit code VACSTR on Schedule CMS. Also, enter the EACC-issued certificate number on Schedule CMS.

Employer Wellness Credit

Note: The Employer Wellness Credit (EWC) program expired on December 31, 2017 and no new EWC amounts are being awarded. However, remaining credits awarded for the 2015 through 2017 tax years and carried over by a taxpayer may be applied in the 2022 tax year.

Effective for tax years beginning on or after January 1, 2013, a Massachusetts business that employed 200 or fewer workers was eligible for the EWC for up to 25% of its costs associated with implementing a "certified wellness program" for its employees. Prior to the EWC program's expiration on December 31, 2017, a taxpayer could claim the EWC by applying to the Department of Public Health (DPH) to certify its wellness program. The amount of the credit available to be claimed could not exceed \$10,000 in any tax year and the credit was not refundable. A taxpayer may carry forward any unused portion of the EWC for up to 5 taxable years. Since the EWC program expired on December 31, 2017, a taxpayer may only claim a previously awarded EWC that was carried over to subsequent tax years. Information about the criteria DPH utilized for authorizing and certifying the EWC may be found in DPH's "Massachusetts Wellness Tax Credit Incentive" regulation, 105 CMR 216.000.

To claim the EWC, enter the amount of EWC using credit code EMPWLL on Schedule CMS. Also, enter the DPH issued certificate number on Schedule CMS.

Farming and Fisheries Credit

Taxpayers primarily engaged in agriculture or farming and subject to tax under MGL ch 62 may be eligible for a Farming and Fisheries Credit (FFC) equal to 3% of the cost or other basis for federal income tax purposes of qualifying property acquired, constructed or erected during the tax year. Qualifying property is defined as tangible personal property and other tangible property, including buildings and structural components thereof which are located in Massachusetts, used solely in farming, agriculture or fishing, and are depreciable with a useful life of at least 4 years. Lessees are also eligible for the FFC. However, where the lessee is eligible for the FFC, the lessor is generally not eligible, with the exception of "equine-based businesses where care and boarding of horses is a function of the agricultural activity." A taxpayer may carry forward any unused portion of the FFC for up to 3 years. See TIR 14-13 for further information.

To claim the FFC, complete Schedule FAF, Farming and Fisheries Credit, and enter the amount of the FFC using credit code FRMFSS on Schedule CMS. Include both the completed Schedule FAF and Schedule CMS with the return.

Film Incentive Credit

Motion picture production companies subject to tax under MGL ch 62 may be eligible to claim the Film Incentive Credit (FIC) for certain payroll and production expenses. Production companies that incur \$50,000 or more of production costs in Massachusetts with respect to a particular motion picture are eligible for a credit equal to 25% of the total Massachusetts payroll for the production, excluding salaries of \$1 million and higher. In addition, when a production company incurs \$50,000 or more of production costs in Massachusetts with respect to a particular motion picture and (i) Massachusetts production costs exceed 75% of that motion picture's total production costs or (ii) at least 75% of that motion picture's total principal photography days take place in Massachusetts, the company may receive a credit equal to 25% of the total Massachusetts production costs for that motion picture, excluding payroll costs used to claim the above payroll credit. The FIC may be applied against the taxpayer's liability, reduced by any other available credits, and then 90% of any remaining credits may be refunded. Subject to certain conditions, unused credits may be carried forward or transferred by the taxpayer in the following 5 tax years. Transferees may carry forward unused FIC for the 5 tax years after the first tax year the FIC was allowed to the initial transferor. The FIC is not refundable to the transferee. See TIRs 07-15 and 22-5 for further information.

To claim the FIC, enter the FIC certificate number and the amount of the FIC using credit code FLMCRD on the Schedule CMS. Supporting documentation must be available to the Department of Revenue upon request. Certificate application forms and additional information are available at mass.gov/dor.

Historical Rehabilitation Credit

Taxpayers subject to tax under MGL ch 62 who have made qualified expenditures in the rehabilitation of a qualified historic structure may be eligible to claim a Historic Rehabilitation Tax Credit (HRTC). The HRTC is up to 20% of the taxpayer's rehabilitation expenditures made in substantially rehabilitating a historic structure that has received final certification from the Massachusetts Historical Commission and placed into service (where occupancy of the entire structure or some identifiable portion of it is permitted). Unused portions of the HRTC may be carried forward for the next 5 tax years. The HRTC may be transferred or sold to another taxpayer but is not refundable. HRTC awards also may be transferred to other qualifying taxpayers that acquire a historic structure, as long as certain criteria are met. The HRTC may be subject to recapture if the taxpayer disposes of its interest in the structure within 5 years of its placement into service. HRTC awards however are not subject to recapture. For further information, see the Department of Revenue's "Massachusetts Historic Rehabilitation Tax Credit" regulation, 830 CMR 63.38R.1, and TIRs 16-15 and 10-11.

To claim the HRTC, enter the HRT certificate number and the amount of the HRTC using credit code HISRHB on the Schedule CMS. The credit is equal to 100% of the user fees paid on or after June 16, 2008, to the US Food and Drug Administration (FDA) upon submission of an application to manufacture a human drug in Massachusetts. The credit may be claimed in the tax year in which the application for licensure of an establishment to manufacture the drug is approved by the FDA. To be eligible for the credit, more than 50% of the research and development costs for the drug must have been incurred in Massachusetts. Certified life sciences companies may use the FDA user fees credit to reduce their tax to zero. At the option of the taxpayer and to the extent authorized pursuant to the Life Sciences Tax Incentive Program, where the credit exceeds the tax due, 90% of the balance of the excess credit is refundable. A life sciences company claiming the credit may not also deduct the FDA user fees for which the credit is claimed on its return. In the event a company's certification as a life sciences company is revoked, the recapture of the Life Sciences ITC may be required. The credit is not transferable. For further information, see TIRs 13-6 and 08-23. To claim the credit, complete a Schedule RLSC and enter the amount of the credit using credit code LFSFDA on the Schedule CMS.

If the LSRITC exceeds the tax due, 90% of the balance of such LSRITC may, at the option of the taxpayer and to the extent authorized pursuant to the Life Sciences Tax Incentive Program, be refundable to the taxpayer for the tax year in which the qualified property giving rise to such LSRITC is placed in service. If the taxpayer does not opt to make the LSRITC refundable, the LSRITC may be carried forward for up to 10 years. If the taxpayer elects to make the LSRITC refundable, then the carryover provisions for this credit that would otherwise apply shall not be available. Certified life sciences companies qualifying for the Economic Development Incentive Program Credit (EDIPC) may only take EDIPC to the extent of an additional

2% of the cost of the qualifying property. In the event a company's certification as a life sciences company is revoked, the recapture of the LSRITC may be required. The LSRITC is not transferable. For further information, see TIRs 13-6 and 08-23. To claim the LSRITC, complete a Schedule RLSC and enter the amount of the LSRITC using credit code LFSITC on the Schedule CMS.

A taxpayer claiming the LSRJTC must commit to the creation of a minimum of 50 net new permanent full-time positions in Massachusetts. If the LSRJTC claimed by a taxpayer exceeds the tax otherwise due, 90% of the balance of such LSRJTC may, at the option of the taxpayer and to the extent authorized by the Life Sciences Tax Incentive Program, be refundable. Excess LSRJTC cannot be carried forward to subsequent taxable years. The LSRJTC is not transferable. The LSRJTC is subject to all of the requirements of the Life Sciences Tax Incentive Program under MGL ch 23I. Low Income Housing Tax Credit

Taxpayers subject to tax under MGL ch 62 who invest in a qualified low-income housing project located in Massachusetts may be eligible for the Low Income Housing Tax Credit (LIHTC). The Department of Housing and Community Development (DHCD) determines which low-income housing projects will qualify for the LIHTC, which properties may generate a LIHTC for investors, and ultimately allocates the amount of credit a taxpayer may claim based on a total pool of \$40,000,000. This LIHTC may be claimed in the year that a "qualified Massachusetts project" is placed in service and for each of the four subsequent taxable years. The properties must also meet the requirements established by Massachusetts and federal laws, and be owned by a taxpayer who enters into a regulatory agreement with DHCD.

Any unused LIHTC may be carried forward for the next 5 tax years. Alternatively, unused credits may be transferred. If an event or circumstance occurs that results, or would have resulted, in the

recapture of any portion of a federal Low Income Housing Credit, then the Massachusetts LIHTC may also be subject to recapture. The LIHTC is not refundable.

To claim the LIHTC, enter the LIHTC certificate number and the amount of the LIHTC using credit code LOWINC on the Schedule CMS. Supporting documentation must be enclosed with the return or the LIHTC may be disallowed. For further information on documentation see the Transfer LIHC: Low-Income Housing Credit Statement form and Allotment Schedule LIHC: Low-Income Housing Credit Summary form. For further information regarding this credit, contact DHCD, Division of Private Housing, at (617) 727-7824.

Low Income Housing Donation Tax Credit

Taxpayers subject to tax under MGL ch 62 that make a "qualified donation" of real or personal property to certain non-profit entities for use in purchasing, constructing or rehabilitating a "qualified Massachusetts project" may be eligible to claim a Low Income Housing Donation Tax Credit (LIHDTDC). This credit operates in the same manner as the Low Income Housing Tax Credit (LIHTC), but the LIHDTDC is limited to 50% of the amount of the "qualified donation," which may be increased to 65% by DHCD. In addition, the LIHDTDC may only be claimed in the year that the "qualified donation" is made. However, any unused LIHDTDC may be carried forward for the next 5 years. The Department of Housing and Community Development (DHCD) determines eligibility and ultimately allocates the LIHDTDC a taxpayer may claim based on a total pool of \$40,000,000 shared with the LIHTC. Only one-fifth of awarded LIHDTDC will count towards this pool. The LIHDTDC is not refundable, but is transferable in the same manner as the LIHTC.

The property must also meet the requirements established by Massachusetts and federal laws and be owned by an owner who enters into a regulatory agreement with DHCD. If an event or circumstance occurs that results, or would have resulted, in the recapture of any portion of a federal Low Income Housing Credit, then the Massachusetts LIHDTDC may also be subject to recapture.

To claim the LIHDTDC, enter the LIHDTDC certificate number and the amount of the LIHDTDC using credit code LIHDON on the Schedule CMS. Supporting documentation must be enclosed with the return or the LIHDTDC may be disallowed. For further information on documentation see the Transfer LIHC: Low-Income Housing Credit Statement form and Allotment Schedule LIHC: Low-Income Housing Credit Summary form. For further information

regarding this credit, contact DHCD, Division of Private Housing, at (617) 727-7824.

To use a transferred MDTC, enter the MDTC certificate number and the amount of the MDTC using credit code MEDDVC on the Schedule CMS. Additional information is available at mass.gov/dor.

The pass-through entity excise is an elective 5% excise imposed on the pass-through entity's income that is included in the personal income tax of its shareholders, partners, or beneficiaries under MGL ch 62. The PTEETC is equal to 90% of the taxpayer's allocable share of the pass-through entity excise due. The amount of the SSTC is 40% of the cost, up to \$15,000, for design and construction expenses for repair or replacement of a failed cesspool or septic system. The maximum aggregate amount of the SSTC is \$6,000. Any unused portion of the SSTC may be carried forward for 5 years. Betterment assessments do not qualify for

The SWEC is not refundable. However, unused portions of the credit may be carried forward for the next three years.

To claim the SWEC, complete Schedule EC, Residential Energy Credit, and enter the amount of the SWEC using credit code SLRWND on Schedule CMS. Include both the completed Schedule EC and Schedule CMS with the return.

Line 22 instructions: To find your **tax on 5.0% Income** (line 22), read down the tax table income column to the line containing the amount you entered in line 21. Then read across to the **TAX** column and enter this amount in line 22. If your taxable 5.0% income in line 21 is greater than \$24,000, multiply the amount by .05. Enter the result in line 22.

If your 5.0% income for the tax table is less than \$10, your tax is 0. **Note:** If choosing the optional 5.85% tax rate, multiply line 21 and the amount in Schedule D, line 21 by .0585.

A Special Message from Revenue Commissioner Geoffrey E. Snyder

I hope you find this Form 1 booklet helpful in preparing your taxes. When you are ready to file, please consider electronic filing rather than using the paper form.

There are many benefits to e-filing your tax return. Let me share just a few of the reasons why most Massachusetts taxpayers choose to file electronically:

- ▶ Refunds can be issued three times faster than filing on paper.
- ▶ Processing is much faster.
- ▶ Automatic corrections help you file a more accurate return.
- ▶ Security features are in place to protect electronically-filed tax returns.
- ▶ If you need to make a payment, you can set up an electronic payment and choose the date. You save time and a trip to the post office.

There are free filing options available for qualifying taxpayers. Please take a look at the opportunities at mass.gov/efile. Most Massachusetts taxpayers qualify for free filing.

Consider all your choices, including the services of a tax preparer or filing on your own with approved tax preparation software, rather than using the paper form this tax season. Join 90% of Massachusetts taxpayers who file electronically. Once you review the options, I hope that e-filing will be your first choice.

Sincerely,

Commissioner Geoffrey E. Snyder
