Business Requests:

Any return filed through the On-line Services Filing and Payment Services can be obtained by logging on with your Business Identification Number and assigned PIN number.

Requests for copies of Corporation, Sales and Use, and Payroll tax forms must include a request on company letterhead that is signed by an officer of the company.

Note:

Copies will only be provided to individual(s) who signed the return or an authorized representative. An authorized representative must provide a Form M-5008-R that covers the return(s) being requested.
