INSTRUCTIONS FOR COMPLETING THE TAX ACCOUNT INFORMATION CHANGE/CORRECTION FORM (REV-1705)

This form is to be used to report Entity ID (federal EIN/SSN), business name, address corrections, a change to a more frequent filing status and/or to register to collect and remit local sales tax. This form may also be used to change/correct information for other business taxes. Sales/use tax, PTA, VRT and cigarette dealer's licenses are non-transferable. E-TIDES users may make changes directly to their accounts at www.etides.state.pa.us using the Enterprise Maintenance function.

SECTION I.

Enter your eight-digit Account ID Number. Update your federal EIN if it has been changed by the Internal Revenue Service. A new registration form (PA-100) must be completed if you have received a new EIN. To change to a more frequent filing status, check the appropriate block for sales tax or employer withholding. A change in filing status will be effective only at the beginning of a filing period.

SECTION II.

Complete this section if your legal and/or trade name changed or if correcting an error. However, if your legal and/or trade name changed as a result of a business reorganization (e.g., incorporation or a change in ownership), a new registration form (PA-100) must be completed. If the Primary, Location and/or Mailing Address changed, complete this section. A Post Office Box is not acceptable for a physical location.

SECTION III.

If a business opens a new location in Allegheny and/or Philadelphia county(ies), and it does not currently report the local sales tax for that/these county(ies), complete this section. Enter the date(s) of the first sale from either one or both counties, if applicable.

SECTION IV.

If changing information for other taxes, check the appropriate box and enter the corresponding Account ID Number(s).

SECTION V.

If there are changes to the individual owner(s), partner(s), or corporate officer(s) responsible for return information, complete this section.

If the owner(s), partner(s), or corporate officer(s) changed as a result of the restructure of a business (e.g., incorporation or a change in ownership), a new registration form (PA-100) must be completed to obtain a new Account ID Number(s).
