**SECTION C**   **Current Credit Summary**

Enter the Current Tax Period Liability due on Part A, Column 4 of the Current Credit Summary. To calculate the Current Credit Summary, repeat the steps that follow for each row: In Column 2, enter the Credit Available from Section B for the applicable credits. In Column 3, enter the Credit Allowable from Section B. Subtract the Credit Allowable from the Remaining Tax to be Offset. If the Credit Allowable is greater than the Remaining Tax to be Offset, enter the amount from Column 4 in Column 5 and the excess amount of the Credit Allowable in Column 7. If the Remaining Tax to be Offset is greater than Column 3, enter the Credit Allowable (Column 3) in Column 5 and enter the difference of Column 4 and Column 5 in Column 6 and proceed to the next available credit. For the remaining rows, use the preceding Tax Remaining after Credit from Column 6 as the Remaining Tax to be Offset in Column 4.

To compute the Credit Carryforward (Column 8) in the Current Credit Summary, for each credit listed, subtract any Credit Allowable (Column 3) from the Credit Available (Column 2) and add the difference to the Excess Credit Allowable from Column 7.

**SECTION D Credit Carry Forward Prior Years**

For each carryforward available for utilization listed below, repeat the steps that follow: Subtract the Remaining Tax to be Offset (Section C, Column 7) from the Allowable Credit Carryforward to use this Period (Section D, Column 6). If the Remaining Tax to be Offset is less than or equal to the Allowable Credit Carryforward, enter the Remaining Tax to be Offset in Column 7 and enter the excess of the Amount Available to use this Period in Column 8. If the Remaining Tax to be Offset is greater than Section D, Column 6, enter the Allowable Credit Carryforward in Column 7 and enter the difference of the Remaining Tax to be Offset and the Amount used this Period in Column 9, then proceed to the next available prior year credit. For the remaining rows, the Amount used this Period in Column 7 is limited to the Remaining Tax to be Offset in Column 9 of the preceding row.

\*For the Career - Technical Dual Enrollment Credit and Growing Alabama Credit carryforward computation, the Allowable Credit Carryforward in Column 6 is limited to the Maximum Credit Carryforward Available This Year in Column 4 of Section B, Part J, line J8 and Section B, Part M, line M8. All other credits, Column 6 equals Column 5.
