Instructions for Completing the G-7 Quarterly Return for the Monthly Payer

- **Form G-7 MUST be filed**, even if no tax was withheld for a particular quarter or if payment was made via EFT. If a payment is enclosed, be sure to indicate the amount in the "Amount Paid" block. ANY payment received after the 15th of the following month will be subject to late charges.
- If the due date falls on a weekend or holiday, the tax shall be due on the next day that is not a weekend or holiday.
- **Complete the sections for first, second and third month.** The "Tax Withheld", "Tax Due" and "Tax Paid" blocks must be filled in with the necessary tax information. The "Adjustment to Tax" block should be used when using a credit from a prior period. Explain adjustments in the indicated area of the form. If you have to later report an additional amount withheld for a period or need to pay additional tax due for a period, file an amended return (check the amended return box) reporting the amended amounts on the appropriate lines. Do not use the adjustment to tax box.
- Enter the total amount of taxes withheld for the quarter in the "Quarterly Total" block.
- Submit Form G-7 on or before the last day of the month following the quarter. Late returns will be assessed a penalty equal to \$25.00 plus 5% of the total tax withheld on the return each month the return is late, not to exceed \$25.00 plus 25% of the total tax withheld on the return.
- Payers should not file a Form G-7 with every payment. All payments should be submitted with the Form GA-V. The G-7 return should be filed once the quarter is complete.
- Do not use this form for nonresident withholding; use Form G-7 NRW.
- Make check or money order payable to: Georgia Department of Revenue
