Instructions for Form 4588

Insurance Company Annual Return for Michigan Business and Retaliatory Taxes

Purpose

To calculate the tax liability and to claim credits for insurance companies for both Michigan Business and Retaliatory Taxes.

NOTE: Beginning January 1, 2012, only those taxpayers with a certificated credit, which is awarded but not yet fully claimed or utilized, may elect to be Michigan Business Tax (MBT) taxpayers. If a taxpayer files an MBT return and claims a certificated credit, the taxpayer makes the election to file and pay under the MBT until the certificated credit and any carryforward of that credit are exhausted.

General Instructions

MBT Liability: Beginning January 1, 2012, a taxpayer calculates MBT liability as the greater of MBT liability after all credits, deductions, and exemptions or hypothetical CIT liability minus deductions and credits available under that act and minus certificated credits allowed under the MBT. This calculation of liability requires a taxpayer to calculate the premiums tax base and apply available MBT credits, including certificated credits, deductions, and exemptions available under the MBT. Then, the taxpayer will calculate the CIT comparison on the *Schedule of Corporate Income Tax Liability for an Insurance Filer* (Form 4974). A taxpayer is permitted to reduce hypothetical CIT liability by all deductions and credits which would be allowed under that tax as well as the amount of certificated credit allowed under the MBT. The amount of certificated credit allowed under the MBT is the amount of nonrefundable credit needed to offset MBT liability or the entire amount of a refundable credit.

If the taxpayer's hypothetical CIT liability would be higher than its MBT liability, the taxpayer will add the difference to MBT liability on line 28 of this form (4588). This is the CIT adjustment. If the result of both steps of the calculation is a negative number, the taxpayer will receive a refund of the lower negative; but a nonrefundable credit cannot be used to reduce liability below zero. Remaining nonrefundable certificated credit may be carried forward to succeeding tax years.

Amended Returns: To amend a current or prior year annual return, complete the Form 4588 that is applicable for that year, check the box in the upper-right corner of the return, and attach a separate sheet explaining the reason for the changes. Include an amended federal return or a signed and dated Internal Revenue Service (IRS) audit document. Include all schedules filed with the original return, even if not amending that schedule. Enter the figures on the amended return as they should be. Do not include a copy of the original return with your amended return. A taxpayer may not amend to revoke the election to remain taxable under the MBT. Once the taxpayer makes a valid election to claim a certificated credit, the taxpayer must continue to file the MBT until the credit and any carryforward of that credit are exhausted.

Line-by-Line Instructions

Lines not listed are explained on the form.

Do not enter data in boxes filled with Xs.

Line 1: Enter the complete address and, if other than the United States, enter the two-digit abbreviation for the country code. See the list of country codes in the *Michigan Business Tax (MBT) Forms and Instructions for Insurance Companies* (Form 4592).

Any correspondence regarding the return filed and/or refund will be sent to the address used here. Check the new address box if the address used on this line has changed from the last filing. The taxpayer's primary address in the Department of Treasury (Treasury) files, identified as the legal address and used for all purposes other than refund and correspondence on a specific MBT return, will not change until the customer specifically makes the change on their Michigan Treasury Online (MTO) account. Visit michigan.gov/mtobusiness for more information.

Line 2: Use the taxpayer's Federal Employer Identification Number (FEIN) or the Michigan Treasury (TR) assigned number. Be sure to use the same account number on all forms.

If the taxpayer does not have an FEIN or TR number, the taxpayer must register before filing this form. Taxpayers are encouraged to register online at www.michigan.gov/mtobusiness. Click on the quick link "New Business" for information on how to obtain an FEIN, which is required to submit a return through e-file. Taxpayers usually can obtain an FEIN from the IRS within 48 hours. Taxpayers registering with the State online usually receive an account number within seven days.

Returns received without a registered account number will not be processed until such time as a number is provided.

Line 3: Check this box if the company is a foreign insurer. Alien insurers are considered foreign insurers, unless their port of entry is Michigan, in which case the company is considered domestic for the filing of this return.

Line 4: Alien insurers, enter the two-letter postal code for the U.S. state that is your port of entry.

Line 5: Enter all gross direct premiums written on property or risk located or residing in Michigan.

Line 6: Enter premiums on policies not taken to the extent these premiums were included in line 5.

Line 7: Enter returned premiums on canceled policies to the extent these premiums were included in line 5.

Line 8: Enter receipts on sales of annuities to the extent these receipts were included in line 5.

Line 9: Enter receipts on reinsurance premiums assumed to the extent these receipts were included in line 5, and only if tax was paid on the original premiums.

Line 12: *Disability insurance* is insurance of any person against bodily injury or death by accident, or against disability on account of sickness or accident including also the granting

of specific hospital benefits and medical, surgical and sick-care benefits to any person, family, or group, subject to such limitations as may be prescribed with respect thereto. The exclusion for disability insurance premiums does not include credit insurance or disability income insurance premiums.

CREDITS

Line 20: Enter the amounts paid to the listed facilities or associations from January 1, 2020, to December 31, 2020, including special assessments. Net the amounts paid and refunds received during 2020 for the same facility or association. If refunds received exceed the amount paid in the year for the same facility or association, enter zero.

Line 20c: For tax years beginning on and after January 1, 2020, amounts paid to the MAIPF that are attributable to the assigned claims plan shall not be included in the calculation of this credit.

Line 22a: Enter the amount of Michigan Examination Fees paid in 2018 (under Michigan Compiled Law 500.224).

Line 24: Enter the Miscellaneous Nonrefundable Credits from *Michigan Business Tax Miscellaneous Credits for Insurance Companies* (Form 4596), line 28.

Retaliatory Instructions

For foreign and alien insurers only; domestic insurers skip lines 30 through 46.

Do not mail this return with the Michigan Annual Financial Statement, and do not send the annual statement filing fee with this return. The taxpayer will be billed separately for the annual statement filing fee by the Department of Insurance and Financial Services.

Foreign insurers must pay to Michigan the same type of obligation a similar Michigan insurer is required to pay in the company's state of domicile. Enter all items that are required of a Michigan insurance company. Some taxes and obligations imposed in other states may have no corresponding requirement in Michigan; however, this does not relieve the foreign insurer from the obligation of computing and paying the tax.

Do not include the following Michigan assessments, or comparable assessments in the company's state of incorporation, in the retaliatory calculation:

- Michigan Workers' Compensation Placement Facility
- Michigan Basic Property Insurance Association
- Michigan Automobile Insurance Placement Facility
- Property and Casualty Guaranty Association
- Michigan Life and Health Insurance Guaranty Association
- Catastrophic Claims Association
- Assessment under Health Insurance Claims Assessment Act (HICAA).

California insurers must include Bureau of Fraudulent Claims assessments. New York domiciled companies must file and pay a tentative retaliatory tax to Michigan by the annual due date, March 1, 2022. An amended Form 4588 must be filed after the actual CT33 is filed with New York. Transfer the CT33 numbers onto the amended Form 4588 and attach a copy of the CT33 to substantiate the taxpayer's claim.

Line 30: Enter the tax a Michigan company would pay to the taxpayer's state of incorporation if it conducted the same amounts and types of business there as the taxpayer is conducting in Michigan. Attach a copy of the state of incorporation's tax form on which this pro forma tax on the hypothetical Michigan company was calculated.

Lines 32 through 42: In column A, "State of Incorporation," enter the amounts that would be paid by a hypothetical Michigan insurance company doing the same types and amounts of business in the taxpayer's home state that the taxpayer is doing in Michigan.

Lines 37 and 39 through 42: In column B, "Michigan," enter the actual amounts paid by the taxpayer to Michigan.

Line 42: Attach a detailed schedule of assessments.

Line 44: Enter the sum of accelerated and certificated refundable credits:

- **Accelerated credits:** The amount from the *Request for Accelerated Payment for the Brownfield Redevelopment Credit and the Historic Preservation Credit* (Form 4889), line 10. (If the taxpayer has filed more than one Form 4889 during the tax year, enter here the combined total of credits claimed on all Forms 4889, line 10);
- **Certificated Refundable credits:** The sum of the amounts reported on Form 4596, lines 2, 3, and 4.

Line 46: Subtract line 45, column B, from line 45, column A. If less than zero, enter zero. If line 45, column B, is a negative number, add column A to the negative number in column B. This will increase the retaliatory amount reported.

PAYMENTS, REFUNDABLE CREDITS, AND TAX DUE

Line 49: Enter the total tax paid with the quarterly estimated tax returns.

Line 51: Enter any tentative payment of estimated tax made with a request for an extension of time to file the return.

Line 52: If claiming a credit, enter the amount from Form 4596, line 5.

Amended Returns Only:

Line 54a: Enter payment made with the original return.

Line 54b: Enter overpayment received (refund received plus credit forward created) on the original return.

Line 54c: Add lines 53 and 54a and subtract line 54b from the sum.

Line 56: If penalty and interest are owed for not filing estimated returns or for underestimating tax, complete the *MBT Penalty and Interest Computation for Underpaid Estimated Tax* (Form 4582) to compute penalty and interest due. If a taxpayer chooses not to file Form 4582, Treasury will compute penalty and interest and bill for payment. Form 4582 is available on the Web at www.michigan.gov/taxes.

Line 57: Enter the annual return penalty rate in line 57a. Add the overdue tax penalty in line 57b to the overdue tax interest in line 57c. Enter total in line 57d.

Refer to the “Computing Penalty and Interest” section in Form 4592 to determine the annual return penalty rate and use the following Overdue Tax Penalty and Overdue Tax Interest worksheets.

- *MBT Renaissance Zone Credit Schedule* (Form 4595)
- *MBT Miscellaneous Credits for Insurance Companies* (Form 4596)
- Proof of payment for any items listed in the “Michigan” column for lines 39 through 42.

WORKSHEET – OVERDUE TAX PENALTY

A. Tax due from Form 4588, line 55		00
B. Late/extension or insufficient payment penalty percentage		%
C. Multiply line A by line B.....		00

Carry amount from line C to Form 4588, line 57b.

WORKSHEET – OVERDUE TAX INTEREST

A. Tax due from Form 4588, line 55		00

Line 57c: NOTE: If the late period spans more than one interest rate period, divide the late period into the number of days in each of the interest rate periods identified under the “Computing Penalty and Interest” section in Form 4592 and apply the calculations in the Overdue Tax Interest worksheet separately to each portion of the late period. Combine these interest subtotals and carry the total to Form 4588, line 57c.

Line 59: If the amount of the overpayment, less any penalty and interest due on lines 56 and 57d, is less than zero, enter the difference (as a positive number) on line 58. If the amount is greater than zero, enter on line 59.

NOTE: If an overpayment exists, a taxpayer must elect a refund of all or a portion of the amount and/or designate all or a portion of the overpayment to be used as an estimate for the next MBT tax year. Complete lines 60 and 61 as applicable.

Line 60: If the taxpayer anticipates an MBT liability in the filing period subsequent to this return, some or all of any overpayment from line 59 may be credited forward to the next tax year as an estimated payment. Enter the desired amount to use as an estimate for the next MBT tax year.
