D-410P Application for Extension for Filing Partnership, Estate, or Trust Tax Return

Instructions

Purpose - Use Form D-410P to ask for 6 more months to file the North Carolina Partnership Income Tax Return, Form D-403 or the North Carolina Estates and Trusts Income Tax Return, Form D-407.

In general, if the entity is granted an automatic extension to file its federal income tax return, federal Form 1065 or 1041, the entity does not have to file Form D-410P to receive an extension of time to file Form D-403 or D-407. **Important:** *Although the entity is not required to file Form D-410P to receive an automatic extension, if it needs to make a payment of tax that is estimated as due, complete and file Form D-410P by the regular due date of the return. If the entity does not pay the amount due by the regular due date, it will owe interest. It may also be charged penalties. For more information on Penalties and Interest, see the Department's website.*

If the entity was not granted an automatic extension to file its federal income tax return, it **MUST** file Form D-410P to receive an extension of time to file Form D-403 or D-407. Even if the entity does not expect to owe additional tax, the entity must still apply for an extension and file the return by the extended due date for the return to be considered timely filed. The entity does not have to explain why it is asking for the extension. **This application does not have to be attached to the return.**

To receive the extra time the entity **MUST**:

1. **Properly estimate the tax liability using the information available to the entity, and enter the tax liability on Line 1 of Form D-410P.**
2. **File Form D-410P by the regular due date of the tax return. An extension of time to file the return does not extend the time to pay the amount of tax due. If the entity does not pay the full amount of tax due by the original due date of the return, interest and penalties will be assessed.**

Filing The Tax Return - The income tax return may be filed at any time before the extended due date. But remember, Form D-410P does not extend the time to pay the tax. Interest will be due on any tax not paid by the original due date. Penalties may also apply.

Interest - Interest will be due on any tax not paid by the original due date of the return. Even if there was a good reason not to pay on time, the entity will still owe interest.

Late Payment Penalty - If the entity does not pay all the tax due by the original due date, multiply the tax not paid by five percent (5%).

The entity can file Form D-410P and pay the tax online. For details, visit www.ncdor.gov and select "File and Pay." After selecting "File and Pay", under "Tax Category" select "Estates and Trusts" or "Partnership Tax".

Use blue or black ink to complete this form.

Do not fold, staple, tape, or paper clip the form.

The penalty will apply on any remaining balance due if the tax paid by the original due date of the return is less than 90 percent of the total amount of tax due. If the 90 percent rule is met, any remaining balance due, including interest, must be paid with the income tax return on or before the expiration of the extension period to avoid the late payment penalty.

Late Filing Penalty - A penalty is usually charged if the return is filed after the due date (including extensions). The late filing penalty is five percent (5%) of the tax for each month, or part of a month, that the return is late (maximum 25%).

If the entity does not file the application for extension by the original due date of the return, the entity is subject to both the late filing penalty and the late payment penalty on the remaining tax due. In addition, penalties are provided by law for willful failure to file a return on time and for willful failure to evade or defeat the tax.
