Section A: BUSINESS INFORMATION

1. Provide your **Federal Employer Identification No.** (FEIN) or Social Security No. (SSN) if you are a sole proprietor without employees. Taxpayers are required to provide their taxpayer identification number (TIN) on all returns and documents. A TIN is defined as the federal employer identification number (EIN) or SSN, depending upon how income tax is reported. The EIN is required for all employers. A penalty of \$5 will be assessed by the Department of Revenue for each document filed without a TIN.

2. **License Type (Check all that apply):**

Transaction Privilege Tax (TPT): Anyone engaged in a business taxable under the TPT statutes must apply for a TPT License before engaging in business. For TPT, you are required to obtain and display a separate license certificate for each business or rental location. This may be accomplished in one of the following ways:

- Each location may be licensed as a separate business with a separate license number for purposes of reporting transaction privilege and use taxes individually. Therefore, a separate application is needed for each location.
- Multiple locations may be licensed under a consolidated license number, provided the ownership is the same, to allow filing of a single tax return. If applying for a new license, list the various business locations as instructed below. If already licensed and you are adding locations, **do not use this application to consolidate an existing license. Please submit a Business Account Update form, available at www.azdor.gov.**

Withholding & Unemployment Taxes: Employers paying wages or salaries to employees for services performed in the State must apply for a Withholding number & Unemployment number.

Use Tax: Out-of-state vendors (that is, vendors with no Arizona location) making direct sales into Arizona must obtain a Use Tax Registration Certificate. In-state business not required to be licensed in Arizona for TPT purposes, making out-of state purchases for their own use (and not for resale) must also obtain the Use Tax registration.

TPT for cities only: This type of license is needed if your business activity is subject to city TPT which is collected by the state, but the activity is not taxed at the state level.

3. **Type of Organization/Ownership:** Check as applicable. A corporation must provide the state and date of incorporation.
4. Provide the **Legal Business Name** or owner or corporation as listed in its articles of incorporation, or individual and spouse, or partners, or organization owning or controlling the business.
5. Provide the **Mailing Address** (number and street) where all correspondence is to be sent. You may use your
