## 2024 School District Estimated Income Tax Instructions

#### Do I Have To Make Estimated Payments?

If your income is subject to school district withholding, you generally do not need to make estimated payments. You should make estimated payments for tax year 2024 if your estimated school district tax liability (total tax minus total credits) less school district withholding is more than \$500. Depending on the district's tax base, individuals generally must make estimated payments if they are:

- Employees who are under-withheld by their employers;
- Retirees without school district tax withholding from their pensions;
- Pass-through entity investors or sole proprietors; AND/OR
- Individuals with large amounts of investment income.

Estimated payments are due as follows:

1st quarter - April 15, 2024 2nd quarter - June 17, 2024 3rd quarter - Sept. 16, 2024 4th quarter - Jan. 15, 2025

Use the Ohio Universal Payment Coupon (OUPC) to make estimated school district income tax payments. Married taxpayers unsure of their filing status for 2024 should make separate estimated payments based on their individual estimated school district tax liabilities. Estimated payments will only be applied to the return associated with the Social Security number listed on the OUPC. Payments will not be split between you and your spouse if you combine your tax liabilities, but file separately.

**Note:** Special rules regarding estimated payments apply to certain taxpayers with farming and/or fishing income. See Adm. Code 5703-7-04.

If you do not make the required estimated payments, you may be subject to an interest penalty for underpayment of estimated taxes. See form IT/SD 2210.

For more information, see the "Income - Estimated Income/School District Taxes and the 2210 Interest Penalty" topic at **tax.ohio.gov/faq-IncomeEstimated**.

#### What Are My Payment Options?

Once you have calculated your estimated payments, you must pay them quarterly through any of the following methods:

- By Electronic Check Pay by electronic check using the Department's OH|TAX eServices at tax.ohio.gov/pay. There is no fee for using this payment method.
- By Credit or Debit Card Pay by credit or debit card using the Department's OH|TAX eServices at tax.ohio.gov/pay. These payments are processed by ACI Payments, Inc. There is a convenience fee equal to 2.65% of your payment or \$1, whichever is greater. The state of Ohio does not receive any of this fee.
- **By Mail** Send a check or money order with the OUPC. Make the payment payable to "School District Income Tax."

#### School District Income Tax Base

Taxing school districts use one of the following two tax bases:

The **traditional tax base** uses modified adjusted gross income less exemptions to calculate the tax base. Refer to lines 1-5 of the 2023 SD 100 to assist you in estimating this tax base.

The **earned income tax base** uses "earned income" to calculate the tax base. Refer to lines 30-36 of the 2023 SD 100 to assist you in estimating this tax base.
