Taxpayers may request a six month extension to file this report electronically at **mypath.pa.gov** or by filing the REV-426.

NOTE: The automatic PA extension provided by Act 52 of 2013 to those with valid federal extensions DOES NOT apply to this tax.

- RCT-143 is available as a fill-in form on the department's website at **revenue.pa.gov**. Use **ONLY** the most current, non-year-specific tax form and instructions for filing ALL years. **If an amended report must be filed, taxpayers must use the most current, non-year-specific tax form, completing all sections of the form. ANNUAL REPORT CHECKLIST

Make sure you include the following to file your annual report properly and completely:

- Negative amounts must be written using a minus sign preceding the number. Do not use parentheses.

IMPOSITION, BASE, AND RATE

Mutual thrift institutions tax is imposed at the rate of 11.5 percent on net taxable income of mutual thrift institutions in Pennsylvania, including savings banks without capital stock, building and loan associations, savings and loan associations, and savings institutions having capital stock. Mutual thrift institutions are exempt from all other Pennsylvania corporate taxes and local taxes except taxes on real estate and real estate transfers. For more information, see Section 1502 of the Tax Reform Code of 1971 (72 P.S. § 8502).

FEDERAL EMPLOYER IDENTIFICATION NUMBER (FEIN), PARENT CORPORATION FEIN, NAME, AND ADDRESS

The FEIN, name, and complete mailing address must be provided. If the taxpayer is a subsidiary of a corporation, the parent corporation's FEIN must be provided. Also provide the telephone number and email address of the taxpayer.

TAX YEAR

Enter month, day, and year (MMDDYYYY) for the tax year beginning and tax year end.

REPORT DUE DATE

The annual report for calendar year institutions is due April 15 for the preceding year ended Dec. 31. An institution operating on a fiscal year end must file the report within 105 days of the close of the fiscal year. If April 15 or the 105th day following the close of the fiscal year falls on a Saturday, Sunday, or holiday, the report is due the next business day. The penalty imposed for failure to file timely reports is now a minimum of \$500, regardless of the determined tax liability, plus an additional 1 percent of any determined tax liability over \$25,000.

ADDRESS CHANGE

Enter "Y" in the block on Page 1 if the address of the corporation has changed from prior tax periods. The current mailing address should be reflected on the report.

AMENDED REPORT

Enter "Y" in the block on Page 1 if you are filing an amended report to add, delete or adjust information. Provide documentation to support all changes being made. An amended report should only be filed if an original report was filed previously for the same period.

The taxpayer has three (3) years after the due date of the original report to file an amended report. If the original report was properly extended, then the taxpayer has three (3) years after the extended due date to file an amended report. The department may adjust the tax originally reported based on information from the amended report. The taxpayer must consent to extend the assessment period. If the amended report is timely filed and the taxpayer consented to extend the assessment period, the time period in which to assess tax will be the greater of three years from the filed date of the original report or one year from the filed date of the amended report.

Regardless of the tax year being amended, taxpayers must use the most current non-year-specific tax form, completing all sections of the report. This includes those sections originally filed and those sections being amended. All tax liabilities should be recorded on Page 1. Taxpayers must check the Amended Report check box on Page 1 and include Schedule AR, REV-1175, with the report.

FIRST REPORT

Enter "Y" in the block on Page 1 if this is the taxpayer's first PA mutual thrift tax filing.

KOZ/KOEZ CREDIT

- Include a copy of the regulatory authority's approval of the merger, dissolution, plan of reorganization, and/or articles of merger.
- Provide the FEIN of the surviving entity, if applicable.

- Provide notification that the Federal Deposit Insurance Corporation is acting as a receiver under Title 12 USC. § 1825(b)(1).

PREPARER'S INFORMATION

Paid preparers must sign and date the tax report. If the preparer works for a firm, provide the name, FEIN, and address of the firm along with the name, telephone number, email, and PTIN/SSN of the individual preparing the report. ESTIMATED PAYMENT INSTRUCTIONS

All accounts are expected to remit estimated prepayments toward the final liability a corporation estimates is due for the taxable year. Estimated payments for mutual thrift institutions tax are due on the 15th day of the third, sixth, ninth, and twelfth month following the close of the tax year. Tax remaining due at the close of the taxable year must be paid by the 15th day of the fourth month following the close of the tax year.

Mail the estimated payment coupon, REV-423, separately from all other forms.

If you have questions regarding estimated payments, email the department at **RA-CORP_ACC_FAX@PA.GOV**.

EXTENSION REQUEST DUE DATE

To request a due date extension of up to six months to file the annual report, you must file an extension request by the original report due date. You can request an extension on **mypath.pa.gov** or by sending the REV-426. However, an extension of time to file does not extend the deadline for payment of tax and an extension request must be accompanied by payment of taxes owed for the taxable year for which the extension is requested. Mail the extension coupon separately from all other forms. A taxpayer using an electronic method to make a payment with an extension request should not submit the extension coupon. Do not use the extension coupon to remit other unpaid liabilities within the account.

PAYMENT AND MAILING INFORMATION

**PA DEPARTMENT OF REVENUE
PO BOX 280404
HARRISBURG PA 17128-0404**

CURRENT PERIOD OVERPAYMENT

If an overpayment exists on Page 1 of the RCT-143, the taxpayer must instruct the department to refund or transfer overpayment as indicated below.

REFUND

 **NOTE:** If no option is selected, the department will automatically transfer any overpayment to the next tax year for estimated tax purposes after offsetting current period liabilities and other unpaid liabilities within the account.

REQUESTS FOR REFUND OR TRANSFER OF AVAILABLE CREDIT

Requests for refund or transfer of available credit from prior periods can be requested on company letterhead, signed by an authorized representative, and emailed to **RA-CORP_ACC_FAX@PA.GOV**.

SCHEDULE D - APPORTIONMENT

WHO MAY APPORTION?

A financial institution may apportion its taxable shares or net income if the institution is or could be subject to tax in another state based on or measured by net worth, gross receipts, net income, or another similar base of taxation.

HOW IS THE APPORTIONMENT FRACTION CALCULATED?

The apportionment percentage is an average of payroll, receipts, and deposits.

PAYROLL FACTOR

LINE 1

The numerator (a) is total wages paid in Pennsylvania and the denominator (b) is the total wages paid in all states. Wages are paid in a state if paid to an employee having regular presence therein.

RECEIPTS FACTOR

The numerator (a) is total receipts in Pennsylvania and the denominator (b) is the total receipts in all states. Receipts do not include principal repayments on loans or credit, or travel or entertainment cards. Receipts from the sale or disposition of property include only the net gain from the sale.

DETERMINE THE LOCATION OF RECEIPTS AS FOLLOWS

LINE 2

Receipts from loans are located at the place of origin. Receipts from loans primarily secured by real property are assigned to the state in which the predominant portion of such property is located, if the institution has an office in that state at which application, negotiation, approval, or administrative responsibility occurs. Receipts from all other loans are assigned to the state of residency or commercial domicile of the borrower, if the institution has an office in that state at which application, negotiation, approval, or administrative responsibility occurs. Otherwise, receipts from loans are assigned to the state where the office is located that treats the loan as an asset on its books or records.

LINE 3

A receipt from performance of services is located in the state where the services are performed. If services are performed in more than one state, the receipts located in each state must be measured by the ratio of time spent performing such services in one state to the total time spent performing services in all states. The time spent performing services in a state is the time spent by employees having a regular presence in the state performing such services.

LINE 4

Receipts from lease transactions are located in the state where the leased property is located.

LINE 5

Interest or service charges – excluding merchant discounts from credit, travel, and entertainment card receivables and credit card holders' fees – are located in the state where the credit card holder resides. If the taxpayer is a corporation maintaining a commercial domicile, such charges are in the state of the card holder's commercial domicile. Otherwise, receipts are located in the state where the institution maintains an office that treats such receivables as assets on its books or records.

LINE 6

Interest, dividends, and net gains from the sale or disposition of intangibles, excluding receipts described elsewhere in this section, are located in the state where the institution

maintains an office that treats such intangibles as assets on its books or records.

LINE 7

Traveler's checks and money order fees or charges are located in the state where the traveler's checks or money orders are issued.

LINE 8

Receipts from sales of tangible property are located in the state where the property is delivered or shipped, regardless of the free on board (FOB) point or other condition of sale.

LINE 9

Receipts from the issuance of title insurance are located in the state where the insured property is located.

LINE 10

All receipts not specifically addressed above are located in the state where the greatest portion of income-producing activity is performed, based on costs of performance.

LINE 11

Enter total receipts (sum of Lines 2 through 10, Columns a and b).

DEPOSITS FACTOR

LINES 12 THROUGH LINE 17

The numerator (a) is the average value of deposits in Pennsylvania during the taxable year, and the denominator (b) is the average value of total deposits during the taxable year. The average value of deposits is to be calculated on a quarterly basis. Deposits are located in the state where the institution maintains an office that treats the deposits as a liability on its books or records. A deposit is considered properly treated as a liability on the books or records of the office with which it has a greater portion of contact. In determining whether a deposit has a greater portion of contact with a particular office, consideration is given to the following:

- Whether the deposit account was opened at or transferred to that office by or at the direction of the depositor, regardless of where subsequent deposits or withdrawals are made
- Whether employees regularly connected with that office are primarily responsible for servicing the depositor's general banking and other financial needs
- Whether the deposit was solicited by an employee regularly connected with that office, regardless of where such deposit was actually solicited
- Whether the terms governing the deposit were negotiated by employees regularly connected with that office, regardless of where the negotiations were actually conducted
- Whether essential records relating to the deposit are kept at that office and whether the deposit is serviced at that office.
