### General Instructions

**NOTE:** You **must** also complete *Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 340 with your tax return to claim this credit.*

Arizona law allowing for a tax credit for cash donations made to the Military Family Relief Fund was extended to taxable year 2026.

The ADVS established two subaccounts (pre-9/11 and post-9/11) for which a donor must designate which account the donor wishes the donation to be deposited into. If your donation qualifies for the credit, your credit will be the smaller of 1 through 4.

1. The amount you donated to the fund during the taxable year.
2. If you are a single taxpayer or a head of household, \$200.
3. If you are married filing a joint return, \$400. If you are filing separate returns, you each may claim only 1/2 of the credit that would have been allowed on a joint return (up to a maximum of \$200 each).
4. Your tax liability for the taxable year.

There is no carry forward for this credit. You must claim and use this credit on the tax return filed for the taxable year for which you made your donation.

This credit is available **only** to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S Corporation may not pass the credit through to its shareholders.

You cannot claim both a tax credit and an itemized deduction for your donation.

Before you claim this credit, you must have received a receipt from the ADVS. Your receipt must show **all** of the following:

- your full name and address,
- the last four digits of your Social Security Number (SSN),
- the amount you donated,
- the amount designated to each fund (pre-9/11 and/or post-9/11), and
- your donation qualifies for the tax credit.

### Military Family Relief Fund

The ADVS administers the Military Family Relief Fund. Donations deposited into the pre-9/11 veterans subaccount will be used to provide financial assistance. The service member of an applying family must have been deceased, wounded or injured or become seriously ill on or before September 11, 2001, been deployed from a military base in this state, claimed this state as the service member's home of record, or been a member of the Arizona National Guard at the time of deployment. If discharged from

military service, the service member must have been discharged under honorable conditions. The assistance shall be based on financial need up to twenty thousand dollars per family.

Donations deposited into the post-9/11 veterans subaccount will be used to provide financial assistance. The service member of an applying family must have been deceased, wounded or injured or become seriously ill after September 11, 2001, been deployed from a military base in this state, claimed this state as the service member's home of record, or been a member of the Arizona National Guard at the time of deployment. If discharged from military service, the service member must have been discharged under honorable conditions. The assistance shall be based on financial need up to twenty thousand dollars per family.

Your donations may qualify for this income tax credit. Donations will qualify for the credit if the total amount donated during the calendar year has not exceeded one million dollars.

Donations made once the total donations for the calendar year reach one million dollars will not qualify for the credit. The determination of whether a donation will qualify for the credit is made on a first come, first served basis by the ADVS.

The ADVS will provide you with a receipt that will let you know if your donation qualifies for the credit. The ADVS will also send a copy of that receipt to the Arizona Department of Revenue.
